THE MORNING AFTER

A Word from the Editor

Volume 11, Issue 22 (#355)

Welcome back to The Morning After People! This week we're focused up on Saturday's Red Line Crawl!

Hoodies are in hand, will be distro'ed tonight at The Barking Dog, and then we wait...we wait patiently until Saturday when we rise, ready our souls, our bodies, our minds and our senses as we take on the Red Line starting at Noon in Bethesda and then away we go.

If you'd like to meet up with us mid crawl, follow us on Twitter at [@HappyHourSport](https://twitter.com/HappyHourSport) and catch up. The broad plan is an hour at each bar, starting with The Dog, then Lia's at F.Heights, Tenley Public at Tenley, Airplane Bottle stop at VanNess, Cleveland Park Bar and Grill at C. Park, avoiding Woodley, Buffalo Billiards at Dupont and then we start making it up!

See you tonight and looking forward to seeing you Saturday!

Check out the [HHKB Google Calendar](#) for all your special dates!

Wednesday, January 17, 2018 – Happy Hour Cornhole season 5 begins at the Barking Dog!

Weather Delays/Cancellations

The Winning Caption:

Zach thoughts - "Why won't this invisible accordion do what I want it to do?!" Wing thoughts - "I'm the most underappreciated back-up singer since Milli Vanilli was around." 🙄

Our winning caption with 2 likes goes to Jessica W, who's also in the pic!

Congrats to Wing, as the winner she gets this series of book, which should help her and Zach if this ever happens again...

1) They March comes in like a lion but leaves like a lamb...what would you say your team comes in as and leaves as?

My team comes in like a dragon, spitting fire....and leaves, well we leave like a dragon after feasting too much

2) Daylight savings things happens this Sunday...thoughts?

I like getting that extra hour...not to sleep, sleeping is for babies, but for more alcohol and partying. JK, I am about to turn 40, Ill take the extra hour of sleep.

3) If you could only drink one drink for the rest of your life what would it be?

Pop that bubbly! (for me) Rickie would say Hennessy, Sean and Jo would say Captain, Ashton prob would be vodka something.

Interestingly one of my favorite drinks is alcohol and something. The world is a great place, love mixing and matching. Like they say inventions something something discovery.

I AM CORNHOLIO!

1) They March comes in like a lion but leaves like a lamb...what would you say your team comes in as and leaves as?

In as winners, out as winners. Duh.

2) Daylight savings things happens this Sunday...thoughts?

Just what the doctor ordered - losing an hour of sleep/recovery time the day after RLC 10. F&!@ing perfect.

3) If you could only drink one drink for the rest of your life what would it be?

Beer - imagine the tolerance level you could achieve...

Man!

1) They March comes in like a lion but leaves like a lamb...what would you say your team comes in as and leaves as?

Our team comes in as last place and leaves the bar close to last call.

2) Daylight savings things happens this Sunday...thoughts?
SHUT. YOUR. CORNHOLE. How is it time for that already?! DST is a POS. I'd never be a fan of something that steals an hour's sleep from me.

3) If you could only drink one drink for the rest of your life what would it be?

In interest of self-preservation, one should boringly go with water. If I didn't care if the "rest of my life" was all that long, I would say sparkling sangria. Salud!

I'm not gonna go DST truther on everyone (until later) but man, outside the weather you won't find stronger opinions on something. Wonder what would happen if we all just went to Central time. Let's give that a go and move New Year's to the summer. The coats, I mean not having to wear coats out would be great no? And why do you want a higher tolerance? Just ends up costing you money...what a rip!

What's it to you?
By John A

1) They March comes in like a lion but leaves like a lamb...what would you say your team comes in as and leaves as?

Our team comes in last but leaves a generous tip.

2) Daylight savings things happens this Sunday...thoughts?
The most glorious of holidays! This is the one where I get an extra hour of sleep, right?

What's that? I lose an hour of sleep?!? FUCK. THAT. Who came up with this bullshit notion?

3) If you could only drink one drink for the rest of your life what would it be?

Unicorn tears aren't real, right? Then sarsaparilla.

I hope the last answer is a tribute to The Dude and The Big Lebowski, that's all the stranger in the alley wanted. A good one though. Also, the Smurfs love sarsaparilla...kept them out of Gargamel's belly? What was his deal?!

1) They March comes in like a lion but leaves like a lamb...what would you say your team comes in as and leaves as?

We bros come in like Kevin BROrrows baby, on time and slimy and we leave like our new little BRA, screaming and demanding to be fed...all the damn time!

2) Daylight savings things happens this Sunday...thoughts?
Not just one. You don't gain sleep, you don't lose sleep you just create conversation and rage for your good BRO friend Chris. Hasn't he suffered enough?!

3) If you could only drink one drink for the rest of your life what would it be?

Smirnoff Ice Bro, you been iced lately? Better check your back pocket! Got you BRO. BROngratulations to Kevin and Jen!

HHKB Team Pong Rules

Teams of 2 players face off against each other by taking shooting pong balls at your standard 10 cup triangle (in round 1, down to 6 in subsequent rounds) at each end of the table.

The first team to knock all 10/6 cups out of the game wins that round and plays the next team in their bracket. Points are given out to the top 3 finishing teams each week.

Each team's first game is against the team they played in cornhole that week. Players can be switched after each game but not during.

Note, teams that play cornhole at 8:15 are expected to have players for beer pong at the Barking Dog by 7:30 pm to get their first round games in.

HHKB Survivor Pong Rules

Every week following team beer pong we will set up 4 tables with 4 cups in the form of a diamond on either end of each table.

Everyone in play then sets up at the 4 tables with everyone in a line on one side of the table.

Round 1 begins with each person throws a pong ball towards the diamond at the other end, if you hit your shot, you walk over take your drink and start the line of those who have advanced to round 2 on the opposite side, just retrieving balls at that point. Should you miss your shot, you go back to the end of the line to try again. Round 1 will continue in this fashion until each table gets down to the final four at each table, who are then eliminated. To ensure fairness, in each round every player will take the same amount of shots to get to the final four.

Everyone not eliminated then gets back in line and round 2 starts and continues the exact same way round 1. The rounds continue until we have a final 8 who then move to one table and work to get to the top 5 in the same way that the previous rounds occurred. Final person standing wins that week's points.

Top 5 finishers receive points each week and the winner gets one point for their team's overall Beer Pong standings.
