The Morning After...

Fall 2008

October 31, 2008

I f'ing hate rain on Saturdays, seriously, I could give a crap if it rained all Sunday morning, we can play in that. It's fun, rain is refreshing and now that no one seems nervous about the acid in it, it's just an excuse to get wet.

However, when it monsoons all day long that tends to leave a lake on the outfield. Now I am tired of rain, you are tired of rain, but until someone tells me they are not tired of drowning, this is how things have to go, as much as that sucks.

Double header time, let's get to it!

Saturday, November 15—Playoff day and Kick Ass End of the Season Party—Details are still being worked out, but count on it being a great way to wind down after a long day of tournament style kickball. Awards ceremony and crowning of the Fall 2008 Happy Hour Kickball League Champion. Can **Where My Juice At?** (formerly **2Legit2Kick**) repeat?

Saturday, November 22—The 21st Annual Help the Homeless Walkathon—For those interested we'll be doing the 3 mile walk around the Mall down in DC all to benefit the homeless population of DC. If you're interested in walking, head over to the Ning Page to RSVP, or go to www.helpthehomelessdc.org and join the Happy Hour Kickball team of walkers. If you just feel like donating a little cashe but not walking, feel free to email us at happyhourkickball@gmail.com.

Rainouts—In the case of a rainout, the website will be updated by 9:30 am, the day of the game. If the rainout occurs after 9:30 am, the division heads will contact captains, or the appointed contact persons, and it will be the captains' responsibility to inform their respective teams. Of course our specials at the Barking Dog will still be honored.

Referees—Each must provide a referee, either for the 10:20 am game if you are playing at 11:15 am or for the 11:15 am game if you are playing at 10:20 am. Failure to provide a referee will count as a forfeit.

Forfeit Policy— Only really occur if you have less than 4 people, this will be very difficult to accomplish, so we don't think this should be an issue...

Hott Booty: Hotter Than An Oven Mitt

A Freestyle by *Clairee "Trouble" Hammond*

Hott Booty, **Hotter** than an oven mitt,
Golden blonde hair, **hott booties**, no other team is this legit.

Let's do a roll call of the team with striking good looks and **pink** shirts,
We all hit the genetic jackpot and you know you want to flirt,
(Or at least look up our skirts.)

Let's start with the **Charlie's Angels Trio**,

Hott Stuff doesn't show up a lot because she lives out in G-burg in the apartments by the Rio.

Fierce is an Aquarius and a **hott booty** show-stopper,
Back in college, she was a B-more club hopper.

Clairee is **Trouble** but that doesn't stop her,
She has the nicest **booty** in all of the Kickball land,
Even J-Lo is a fan.

Notorious Miguel, a lady's man,
If you too, are a fan,
Go see him at True Story on Thursday nights in all of his glory.

Ali-Kat is from New England, representing Connecticut.
You can find her at Fitness First, keeping her **booty** fit.

Playmaker, do you really need an introduction to our team captain?
On and off the fields, he is always making things happen.
He is unofficially the **Mayor** of Bethesda-Town,
His Halloween party is this Friday, so you better be down.

Kiki has two cell phones and teaches other **hott booty** members to spin,
She helps keeps everyone's **booty hot** and in good shape to win.

Terry likes to use his hands and will score with me someday,
Dave is hot and fun, and attends mass each Sunday.
Jeremy pulled his groin and I'm still not not sure why,
These are a few of the **Hott Booty** guys.

Tommy works at Sasso;
He occasionally ties female **hott booty** members up in lassos.

Hott Booty! shares some thoughts on Stuff! cont...

Erich Siemon (I like his last name) and he sends dirty emails to my gmail,
He is an I.T. guy and his mother's name is Gail.

And don't forget about, **Christine** who is on world tour,
Probably teaching Australia how to score. (*Hott Booty Style*)

Sorry for the **Hott Booty** members I did not mention,
But to sum it up, our team looks like a super-model convention.
Please don't hate us cause we look good and score more than porn stars..
Sorry in advance for winning the championship and being such super stars...
Just show us love and let's all love each other at the bar...

*Thanks to Clairee and whoever else may have thrown out ideas, just 'cause there are aspects of this that remind me of a Chip article or two I've seen. In any case it's content and I love content, so I won't hate.
Hott Booty all around!*

Get Drunk and Kick Balls talks about the weather...

GDnKB was ready to tear up the fields this week, but received a not to pleasant text from fearless coordinator **CB**. Turns out no games due to rain, yet again. **GDnKB** would like to say that El Nino/La Nina/Global Warming...whatever you want to call it...is getting kind of old.

What happened to the days when we could just play in the fields and not worry about ruining things for future generations? Who cares about the cost of re-seeding the soil? Why should I have no fun just so that others can use the "grass" tomorrow?

Get Drunk and Kick Balls talks about the weather...

Who are these others anyway? From the looks of it, "the others" are dogs that just poop all over and leave stinky messes for our beautiful jaundice balls to roll through. Usually, these "dogs" leave this stuff right on 2nd base. Seriously, they should at least get to "third" before leaving that sort of thing behind. Otherwise it is just plain gross. What I am saying is, if I want to see my fellow teammates slip on their ass in the mud, than that is what I am going to see damn it! Next time it rains we should get out our slip-n-slides and break dance our soapy bodies all over those mud covered diamonds. Let loose. Be crazy. And then go drink at the bar.

GDnKB Out.

I couldn't agree more, the hell with the future, let's live in the now...but maybe that's the kind of thinking that's got the US of A so completely f'ed, boned, poned, or screwed (you can choose your adjective if you don't like any of mine) right now. Now someone go get me a Banana Cognac and light my cigar with a \$100 dollar bill. Living...

And now in the space, a photo of El Nino, damn if I don't miss him...

Deep Thoughts by Dan Holloman

A collection of the brilliance that is [Daniel Biden Holloman](#)

I drank some boiling water because I wanted to whistle.

I had a stick of CareFree gum, but it didn't work. I felt pretty good while I was blowing that bubble, but as soon as the gum lost its flavor, I was back to pondering my mortality.

I haven't slept for ten days, because that would be too long.

I know a lot about cars, man. I can look at any car's headlights and tell you exactly which way it's coming.

I like Kit-Kat, unless I'm with four or more people.

♉ Taurus—When a tree falls in a forest with no one around...well no one will hear the amount of complaining it does, but trust me, that thing won't shut up.

♊ Gemini—On Tuesday, the forecast calls for massive lines at your polling station...wait not polling station, your pants!

♋ Cancer—The decision to replace all your teeth with acorns will prove to be a bad decision when you are adopted by a family of starving squirrels.

♌ Leo—The FDA will order that you be quarantined after it is discovered that after listening to you speak people automatically vomit uncontrollably. Maybe it's that other human growing from your abdomen?

♍ Virgo—Dressing up as a virgin will prove difficult this Halloween as come on, does anyone know what one of those looks like anymore?

♎ Libra—Superman will fly by your apartment this coming Monday morning and yet again offer to take you to Starbucks, but you're more of a Caribou Coffee kind of person and will flip him off as usual.

♏ Scorpio—Metallica will perform a sold out show somewhere and Lars will still bitch and moan that he doesn't make enough money. Hey Lars, F YOU!

♐ Sagittarius—Jesus will visit you at your office, not Christ, just some guy named Jesus, but he will be remarkably informed on your childhood.

♑ Capricorn—Once inside the voting booth you will become aroused, you will then realize it's a peep show...pervert.

Hello, Mr. Anderson.

That's just gross...
