Happy Hour Kickball

Volume 1, Issue 2

HHKB Tip of the Week:

Calling for the ball in the field helps to avoid collisions, yelling after someone at the bar to get you beer, could cause them to collide with you!

The Morning After...

Summer 2007

May 15, 2007

Welcome to issue #2 of this newsletter! I hope everyone has enjoyed the preseason and is ready to get the regular on!

In this second issue we complete the two part series (that began last week) in our quest to get to know all 12 of our teams through the magic of an over email interview.

We have the same 20 questions posed to six new captains, their answers at times may be shocking, and potentially disturbing but always true.

On that note, I hope you enjoy this issue of the newsletter, next week we drop the questions and move to game recaps, awards and the laugh out loud, crap your pants, slap yourself funny stuff you know the three of us can come up with.

Take it easy, and let's as they say, get it on!

Actual and Factual News aka Stuff We Didn't Make Up

Saturday, June 16: It's **KICK ASS PARTY #1**, to be held at the Barking Dog. Cheap drinks, specials and a hell of a time! Get wasted and see your fellow kickballers in their nicest Saturday attire. Party starts at 7:00 pm in the sky lounge (upstairs).

Saturday, June 30: The first ever **BEER OH-LYMPICS!** This wonderful event will be taking place at the Barking Dog in Bethesda starting around 2:00 pm and concluding around 6:00 pm. The events include:

Flip Cup (8 people per side)

Beer Pong (2 people per side)

Anchorman (4 people per side)

Power Hour

You Got Served! (The game formerly known as Quarters)

Kings

The Beer Relay (this is a surprise we're working on...)

\$15 per person gets you all the beer for the Olympics and all you can drink during the day. If you're interested in participating email us directly at happyhourkickball@gmail.com to save a spot.

Saturday, July 28th: Playoff day and End of the Season Party. Details are still being

worked out, but count on it being a great way to wind down after a long day of tournament style kickball. Awards ceremony and crowning of the first ever Happy Hour

Kickball League

Champion will take place there.

Rainouts—In the case of a rainout, the website will be updated by 3 pm, the day of the game. If the rainout occurs after 3 PM, the division heads will contact captains, or the appointed contact persons, and it will be the captains' responsibility to inform their respective teams. Of course our specials at the Barking Dog will still be honored.

Referees—Each must provide a referee, either for the 6:30 game if you are playing at 7:15 or for the 7:15 game if you are playing at 6:30. Failure to provide a referee will count as a forfeit.

Forfeits—Only really occur if you have less than 4 people, this will be very difficult to accomplish, so we don't think this should be an issue...

Look out **We've Got the Runz!** We cornered *Keith LeRoy* and *Craig "Fritzy" Fritz* while they were seated on a toilet and asked them the following 20 questions, enjoy!

1) *Using one word, how would you describe your team?*

Runny.

2) *If your team was made of cheese or bbq spare ribs, would you eat yourself?*

Yes, since they both give us the runz.

3) *Why did you join HHKB?*

To get drunk and fuck.

4) *True or false: Even after a brief ironic renaissance, mullets are still a terrible idea.*

False- there will always be a place in my heart for the mullet, especially if you're one, David Hasselhoff.

***Hey my Man, Don't Hassel
the Hoff, or his mullet!!!!***

5) *Can you or anyone on your team sing the mysterious SECOND verse of Stayin' Alive?*

Not sure, but we'll find out soon enough.

6) *What song is the most likely to get your team shaking its booty like a bunch of drunken fools at the end of the night?*

Last year it was "Ms new booty." This year what can I say (it's a whole new year).

7) *If your team was a member of the Wu Tang Clan, which Wu would it be?*

Raekwon the Chef, because he is all things I aspire to be: a wicked cool rapper and a stellar cook.

8) *You and one other person are stranded on a desert island. How would you choose to kill them?*

Tough question, I'd have to go with either Angilena Jolie, or Scarlett Johansson (death by too much sex).

9) *Who on your team is most likely to kick a puppy?*

Probably **Keith**, just because he is the only one with a puppy.

10) *Which player on your team is most likely to injure themselves?*

Definitely **Bobby "breaks things" Mullis** I think over the course of his life he's broken 23 bones and dislocated 7 joints. In college he broke his arm by wiping his ass after a night on the town.

11) *Who on your team is most likely to let someone make it to 3rd base?*

Probably one of our 14 girls or our resident man-whore/captain **Tim Sannes**.

12) *Who is Mike Jones?*

He spits ill rhymes and he can dunk, who knew?

13) *Who on your team can drink beer the fastest?*

Rut Wattanasak no contest

14) *Who on your team has an unusual talent, and what is it?*

T bar, he can impregnate women just by looking at them.

15) *If $A^2 + B^2 = C^2$, can I crash on your couch?*

I only have a love seat. Still interested?

16) *Have you, or has anyone on your team ever been touched, in an unwelcome way, by Dick Cheney? If yes, when and how?*

Yes, all the time. Every time **Keith** sees him on TV he touches him inappropriately.

17) *Who on your team is most likely to get ejected from a game?*

Craig Fritz. What a douche that kid is.

18) *Do you have a team song? If not, and you had to pick one, what would it be?*

We don't have one, but I'm pretty sure it would be "I Ran So Far" by Flock of Seagulls.

*Is that **Tim Sannes** with the hair?
It might be...*

19) Please tell us something brief about the team that you think everyone in the division should know.

We're all clean and disease free, at least I think we are and we pre-game by eating things that will give us the runz on purpose just to intimidate our competition.

20) What is your team's favorite drinking game and why?

Survivor Flip-Cup. It's really the best game out there. Where else will you find drinking and group exclusion!?

PS-Check out Craig's Blog concerning food and drink, it's good stuff:

<http://untrainedchef.blogspot.com/>

Anyone feel like **Doing Some Limes in the Bathroom**? Coincidentally, we ran into **Chris** and **Eduardo** in the same bathroom we found **Keith** and **Fritz**...although they weren't riding the throne but chopping up some limes...

1) Using one word, how would you describe your team?

Delicious! (Runner-up answer: Colbert-like amalgam of "delishellent!")

2) If your team was made of cheese or bbq spare ribs, would you eat yourself?

Are you kidding? The real question would be how long could we hold out on eating ourselves! In the end we'd dine on us and wash us all down with a nice tall Budweiser! We probably wouldn't eat ourselves if we were made of scrapple, though.

3) Why did you join HHKB?

To see **Albers** and **Rick** get excited about that Kelly Clarkson song every week.

4) True or false: Even after a brief ironic renaissance, mullets are still a terrible idea.

100% true, unless **Budweiser Mike** or **Bruckheim** grow one at which point we will support them, but not encourage them. As my momma used to say, a man can grow a mullet - but a mullet can't grow a man.

5) Can you or anyone on your team sing the mysterious SECOND verse of Stayin' Alive?

Nas often practices the "walk scene" at the start of Saturday Night Fever while **Eduardo** belts out the song a capella. If you haven't seen this performed live, you are missing out on something more glorious than anything you have ever imagined.

6) *What song is the most likely to get your team shaking its booty like a bunch of drunken fools at the end of the night?*

Poppa by the Notorious B.I.G. as performed by none other than the crooner himself, Robert Goulet. Poppa! I Love it when you call me POPPA! Oh, look it's the big horn...he doesn't even blink...GOULET!

If you think you're a playa!!!!

POPPA!

7) *If your team was a member of the Wu Tang Clan, which Wu would it be?*

The RZA, my man Bobby Digital and his entire digital orchestra. Do-do-do-beep-beep. But if the RZA is taken, we would also be happy to be Raekwon, the chef. He just seems like a nice fellow.

8) *You and one other person are stranded on a desert island. How would you choose to kill them?*

We would probably knock them out with something heavy, something like Louie Anderson, and then wrap them in seaweed like a spicy tuna handroll and just start eating them. If they wake up while we're eating them, then we'd look at them and say, "Should we not have done that? Was that wrong? Because, we gotta be honest, we're pleading ignorance on this one."

9) *Who on your team is most likely to kick a puppy?*

Melissa Clark. But let's be honest - if you saw the way that puppy was eye-balling her you would have reacted in the exact same way.

10) *Which player on your team is most likely to injure themselves?*

Eduardo Nunes. For years he's been pushing the envelope running around the bases at lightin' like speed, and it's bound to catch up with him.

11) *Who on your team is most likely to let someone make it to 3rd base?*

Joe Balls will let you get there, but he expects you to close the deal!

12) *Who is Mike Jones?*

Mizzou alum who played for the lame-o St. Louis Rams.

13) *Who on your team can drink beer the fastest?*

Chris Bocquet, he's also fast with a compliment...you know you're quite good looking, reader of the newsletter!

14) *Who on your team has an unusual talent, and what is it?*

Stopher can lower his jaw and eat a slice of Pizza Mart pizza in less than 60 seconds, it's incredible.

15) *If $A^2 + B^2 = C^2$, can I crash on your couch?*

I was informed that I have no couch. My old one was discarded because apparently cheesy black leather couches are not something an adult has in their apartment.

16) *Have you, or has anyone on your team ever been touched, in an unwelcome way, by Dick Cheney? If yes, when and how?*

I think we've all been touched in some way by his evil haven't we? But more specifically he once attempted to eat **Nas**, but stopped once he realized that **Nas** in fact hates freedom. **Eduardo** often has to sit through traffic lights while the Buttered Steak Express (aka, the VP's limo) makes its way up Massachusetts Avenue, and while that's unwelcome, it's not exactly as unwelcome as Cheney's "Gropfest 2K5" celebration was.

17) *Who on your team is most likely to get ejected from a game?*

Bruckheim will get thrown out. Book it.

18) *Do you have a team song? If not, and you had to pick one, what would it be?*

Probably The Final Countdown by Europe, again, we love the Keytar. And, of course, we always feel like we're headed for Venus.

*Drop the Keytar on the **Limes**, and they'll come to the dance floor faster than you can shout, "ROCK!"*

19) *Please tell us something brief about the team that you think everyone in the division should know.*

We're long, we're strong, and we're down to get the friction on!

20) *What is your team's favorite drinking game and why?*

You Got Served! (The game formerly known as quarters). Mostly because it involves three things we all love: beer, shouting, and shiny things.

After cutting some limes, and having a taste we ran into *Tom* of **Another Bad Beat**, he was as usual seeing flops and pulling felt at the tables, this is what he had to say...

1) *Using one word, how would you describe your team?*

Lost

2) *If your team was made of cheese or bbq spare ribs, would you eat yourself?*

Yes

3) *Why did you join HHKB?*

Because it was going to be more fun.

4) *True or false: Even after a brief ironic renaissance, mullets are still a terrible idea.*

True

5) *Can you or anyone on your team sing the mysterious SECOND verse of Stayin' Alive?*

No

6) *What song is the most likely to get your team shaking its booty like a bunch of drunken fools at the end of the night?*

Baby Got Back

7) *If your team was a member of the Wu Tang Clan, which Wu would it be?*

Ol Dirty Bastard

8) *You and one other person are stranded on a desert island. How would you choose to kill them?*

By constantly putting them down to the point they would end up taking their own life

9) *Who on your team is most likely to kick a puppy?*

Frank

10) Which player on your team is most likely to injure themselves?

I am

11) Who on your team is most likely to let someone make it to 3rd base?

Suzanne

12) Who is Mike Jones?

Rapper I think

Tom, meet Mike Jones, Mike Jones, **Another Bad Beat.**

13) Who on your team can drink beer the fastest?

Carmelo

14) Who on your team has an unusual talent, and what is it?

Alida, seems to be able to change hair color every week it is pretty amazing

15) If $A^2 + B^2 = C^2$, can I crash on your couch?

Sure

16) Have you, or has anyone on your team ever been touched, in an unwelcome way, by Dick Cheney? If yes, when and how?

I don't think so

17) Who on your team is most likely to get ejected from a game?

Rob

18) Do you have a team song? If not, and you had to pick one, what would it be?
Loser by Beck

Could this be
subterfuge, being
set up by **Another
Bad Beat?**

19) Please tell us something brief about the team that you think everyone in the division should know.

We'll have been really overhauled from the decent team we had in the past to the point I really don't even know my team members so we are not in it to win it as was the case in the past. Just want to have fun and drink some beers

20) What is your team's favorite drinking game and why?

Flip cup because it does take a little skill

Following our talk with Tom, we headed out for some food, we ran into [Monty](#) and [Thomas](#), leaders of the scrumtrelescent [Albondigas](#)...

1) Using one word, how would you describe your team?

Egregious

2) If your team was made of cheese or bbq spare ribs, would you eat yourself?

Chili con queso? Yes please!

3) Why did you join HHKB?

The same stellar crew, we figured try something new.

4) *True or false: Even after a brief ironic renaissance, mullets are still a terrible idea. Is fantastic an option?*

5) *Can you or anyone on your team sing the mysterious SECOND verse of Stayin' Alive?*

Bill Deye and Allyson Weaver; duet.

6) *What song is the most likely to get your team shaking its booty like a bunch of drunken fools at the end of the night?*

Baby Got Back

7) *If your team was a member of the Wu Tang Clan, which Wu would it be?*

I love lamp.

16) *Have you, or has anyone on your team ever been touched, in an unwelcome way, by Dick Cheney? If yes, when and how?*

Hunting accident prone? No thanks.

17) *Who on your team is most likely to get ejected from a game?*

Z

18) *Do you have a team song? If not, and you had to pick one, what would it be?*

Monster Ballads - the bigger the hair, the better.

It's the platinum edition, PLATINUM!

19) *Please tell us something brief about the team that you think everyone in the division should know.*

F the purple stuff and Sunny D, we are kool-aid kids. Now that the air's clear, yes, we all work for Booz Allen, we are decent at kickball, good at working together, and a force to be reckoned with on the flip cup table. Viva **Albondigas!**

20) *What is your team's favorite drinking game and why?*

It's neck and neck between beer pong and flip cup, but flip cup does bring more of the squad to the table ... so, flip cup it is.

After we spoke with *T-Wizzle* and *Monty*, we rolled into *Julia* and *Blake* from **Run Juice, Run!** at the free steroid give away at Redskin park, luckily they were so hopped up on 'roids we were able to get our questions answered.

1) *Using one word, how would you describe your team?*

Juiced

They're juiced up, time for a test.

2) *If your team was made of cheese or bbq spare ribs, would you eat yourself?*

Hell yeah, we would eat ourselves. And you would eat us, too.

3) *Why did you join HHKB?*

Where else can you meet other drunk, sweaty people to get drunker and sweatier with on a Wednesday night?

4) *True or false: Even after a brief ironic renaissance, mullets are still a terrible idea.*

False. We think the mid 80's went out of style, not the mullet.

5) *Can you or anyone on your team sing the mysterious SECOND verse of Stayin' Alive?*

Since the reaction to that song last week ranged from "this song sucks" to "this is my favorite song of all time", i'd venture that somewhere in that range....someone...somehow....could sing along to the second verse.

6) *What song is the most likely to get your team shaking its booty like a bunch of drunken fools at the end of the night?*

Dick in a Box

7) *If your team was a member of the Wu Tang Clan, which Wu would it be?*

I can't pick just one of them, due to the inevitable discrimination lawsuit. However, like the Wu, RJR ain't nuthin' to f*ck wit.

8) *You and one other person are stranded on a desert island. How would you choose to kill them?*

Steamroll them, then appropriately position bamboo reeds to their flattened body and fly to safety using my corpse kite.

9) *Who on your team is most likely to kick a puppy?*

Seamus, although to even the playing field, he would warn it first with an ear splitting RUN PUPPY, RUN!

10) *Which player on your team is most likely to injure themselves?*

Juice "ninja roll" Jones

11) *Who on your team is most likely to let someone make it to 3rd base?*

Who wouldn't?

12) *Who is Mike Jones?*

I'm Mike Jooooooooooooones.

13) *Who on your team can drink beer the fastest?*

This is the actual scenario from last Wednesday at the dog:

7:47:00pm -- *Blake*: I'm way too sober right now

7:49:03pm -- *Blake*: I'm soooooooooooooooooo drunk!

14) *Who on your team has an unusual talent, and what is it?*

Marika -- Dance moves so hot, she'll start a fire. In your pants!

15) *If $A^2 + B^2 = C^2$, can I crash on your couch?*

My couch? You know I have a bed, you slept in it last Wednesday night

16) *Have you, or has anyone on your team ever been touched, in an unwelcome way, by Dick Cheney? If yes, when and how?*

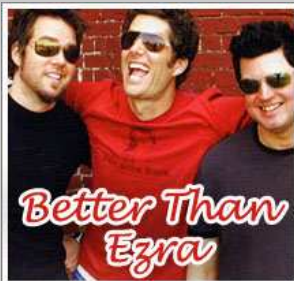

Unwelcome like Olivier Martinez in Unfaithful....

17) *Who on your team is most likely to get ejected from a game?*

Margot, for stomping on some poor guy's face with her cleats!

18) *Do you have a team song? If not, and you had to pick one, what would it be?*

Juicy by Better Than Ezra

You ever wonder who Ezra was or is? That poor bastard, having three smiley guys laughing at him...

19) *Please tell us something brief about the team that you think everyone in the division should know.*

Donning our white shirts, at first glance we may seem like the vanilla team amongst the rocky roads and pistacio guinness limgaritas of the league. However, we'll show our true colors during the 3rd inning stretch of all games between June & August, when the ladies of RJR host their weekly wet T-shirt contest. All proceeds go to charity, of course.

20) *What is your team's favorite drinking game and why?*

I'm not sure if anyone has heard of this one before.....it's called "drink till you're shitty". It usually involves a short burst of heavy consumption followed by a sustained period of stumbling around the room slutting beer from as many abandoned pitchers as possible. At this point, you're sloshing 3/4 of every cup of beer on yourself and everyone surrounding you, so you decide to play flipcup where that behaviour is not as much discouraged as it is the norm. When all is said and done, you're the guy/gal doing the metro of shame in your brightly colored t-shirt, eager to get home and share your hangover and your escapades with your teammates. Ahh, Thursday mornings in the spring.

Finally, after *Blake* and *Julia* ran us out of Ashburn, screaming incomprehensibly, about how they would never submit to a urine test, smashing cars, and eating mailboxes we ran into the captain of the newest team, *Le*, of **Get Drunk and Kick Balls** she was drinking, because, that's what her team does. Here's what she had to say.

1) *Using one word, how would you describe your team?*

AWESOME

2) *If your team was made of cheese or bbq spare ribs, would you eat yourself?*

Ribs, Definitely! No Cheese, plz (severely lactose intolerant)

Ribs. I had ribs for lunch, that's why I'm doing this.

3) *Why did you join HHKB?*

Drinking and Kicking Ballz, of course!

4) *True or false: Even after a brief ironic renaissance, mullets are still a terrible idea.*

TRUE, TRUE, TRUE

5) *Can you or anyone on your team sing the mysterious SECOND verse of Stayin' Alive?*

The chorus? Of, course.

6) *What song is the most likely to get your team shaking its booty like a bunch of drunken fools at the end of the night?*

Love Shack by the B-52's

7) *If your team was a member of the Wu Tang Clan, which Wu would it be?*

ODB

8) *You and one other person are stranded on a desert island. How would you choose to kill them?*

Coconut kickball

9) *Who on your team is most likely to kick a puppy?*

John K.

10) *Which player on your team is most likely to injure themselves?*

Tough question since I have 3 people on IR already, but it would be Le because she plays rough.

11) *Who on your team is most likely to let someone make it to 3rd base?*

Le and Anne

12) *Who is Mike Jones?*

MJ the rapper or the UMD Basketball player?

13) *Who on your team can drink beer the fastest?*

ME ME ME (Chugger-lover).

14) *Who on your team has an unusual talent, and what is it?*

I can drink guys twice my weight under the table.

15) *If A squared plus B squared equals C squared, can I crash on your couch?*

ONLY if you let me get to 3rd base!!

16) *Have you, or has anyone on your team ever been touched, in an unwelcome way, by Dick Cheney? If yes, when and how?*

John K, but he does not want to talk about it

17) *Who on your team is most likely to get ejected from a game?*

Le- everyone else is too innocent.

18) Do you have a team song? If not, and you had to pick one, what would it be?
Queen- We Will Rock You!!

19) Please tell us something brief about the team that you think everyone in the division should know.

We like green beer

Who doesn't love a little green and a little beer?!

20) What is your team's favorite drinking game and why?
FLIP CUP and STRIP POKER

That's all folks! I hope we all got to know each other just a little bit better, what I can say after meeting and speaking with all 12 of you captains is that you are far more complex and interesting than I thought possible.

Take it slow and easy and I'll see you around the fields, but I will definitely see you at the Barking Dog.

CB
