See the Advertisement on page 3 for all the details! It's going to be the best Bar Crawl Bethesda's ever seen!

Saturday, May 31: It's the greatest time of year, the 2nd Annual Summer BEER OH LYMPICS!

This wonderful event will be taking place at the Barking Dog in Bethesda starting around 12:30 pm and concluding around 6:30 pm. The events include:

Flip Cup (5 people per side)

Beer Pong (2 people per side)

Team You Got Served (2 teams facing off around a circular table)

Continuous A\$\$Hole (one member from every team playing at all times)

The Beer Relay (takes what you did all day and slams it into one timed event)

Price is on a per person basis and will be determined based on the amount of teams participating. The entry fee gets you all the beer for the OHlympics and all you can drink during the day. If you're interested in participating email us directly at happyhourkickball@gmail.com to save a spot.

Saturday, June 14: Kick Ass Party #1 to be held at the Barking Dog. Cheap drinks, specials and a hell of a time! Get wasted and see your fellow kickballers in their nicest Saturday attire. Party starts at 7:00 pm and concludes at 11:00 pm in the sky lounge (upstairs). Theme to be determined in the coming weeks.

Saturday, July 5: Happy Hour Kickball goes Tubing! Do you feel like rolling down a river in a tube with a beer? I thought you would. This is tentative based on interest. If you're into it, let us know at happyhourkickball@gmail.com

Saturday, August 2: Playoff day and Kick Ass End of the Season Party. Details are still being worked out, but count on it being a great way to wind down after a long day of tournament style kickball. Awards ceremony and crowning of the Summer 2008 Happy Hour Kickball League Champion. Can the 'Runz repeat?

Rainouts—In the case of a rainout, the website will be updated by 4:30 pm, the day of the game. If the rainout occurs after 4:30 pm, the division heads will contact captains, or the appointed contact persons, and it will be the captains' responsibility to inform their respective teams. Of course our specials at the Barking Dog will still be honored.

Referees—Each must provide a referee, either for the 6:30 pm game if you are playing at 7:15 pm or for the 7:15 pm game if you are playing at 6:30 pm. Failure to provide a referee will count as a forfeit.

Forfeit Policy— Only really occur if you have less than 4 people, this will be very difficult to accomplish, so we don't think this should be an issue...

20 Questions with [Meagan Davis](#) of [Where My Pitches At?](#)

So, our first interview is with [Meagan Davis](#), a Happy Hour Kickball veteran...how would her mind handle these ridiculous questions?

- 1) If your team were running for president of the US, what would be your campaign slogan?
Vote for us, and you win too.
- 2) If you were buried alive in a food avalanche, what food would you hope it would be when you started eating your way out?
Taquitos from 7-11, because they go out as fast as they go in, that way you can work your way out faster... much like an earthworm.
- 3) Why did your team decide to play in Happy Hour Kickball?
Because it is the only place where binge drinking, short shorts and bedazzled shirts are not only accepted, they are the norm.
- 4) If the premise for Perfect Strangers played out in real life and happened to you, how would you have reacted?
Done the Dance of Joy! ...soon to be the [Where My Pitches At?](#) victory dance.
- 5) True or False: Van Damme Friday should become an officially recognized holiday and celebrated the third Friday of October every year?
True True True.
- 6) If your team were sent to jail, who would turn the fastest on everyone else to get a shorter sentence?
Impossible, we would have been jailed for being lethal with our kicking, throwing, and base-running skills. Therefore, no-one on the team would be qualified to separate themselves from such allegations.
- 7) If your team was in a plane crash in the Andes, and survival meant having to eat someone from your team, who would you eat? Follow up, who would you never consider eating?
We would eat [Scott](#)... smoked meats last longer. We would not eat [Michelle](#), because the other teams have already done so.
- 8) What is the square root of your team?
The square root of [Where My Pitches At?](#) is awesome.
- 9) Chewbacca comes over to your house, sheds all over the place and eats all your food, what do you do, and what the hell is his problem?
Chewbacca is suffering from [2Legit2Kick](#) separation anxiety... He and his friend "K" are welcome to stay at the house for as long as it takes to mentally prepare for a losing the 2008 season.
- 10) You've just been given the KITT from Knight Rider, how long before you tell the car to shut the f*ck up and mind his own business?
It is not a good idea to talk smack to your DD.

20 Questions with Meagan Davis of Where My Pitches At? Cont...

**Looks like
Chinese
Democracy took
it's toll on Mr.
Rose...**

11) Chinese Democracy from Guns N' Roses has finally been delivered to their record company...do you care?

Our kids will need some funny songs to sing during their HHKB parties in 25 years, so, YES.

12) What does your team name mean, if anything?

*Where My Pitches At? sufficiently represents the skills, both mental and physical of our team, summed up in a don't f*ck with me, yet witty phrase.*

13) What happened to Quentin Tarantino...I mean seriously?!
UMA was his KATRINA

14) How much for one rib?

2 for \$1. While supplies last.

15) Who on your team is most likely to get lost while running the bases?

The better question is who is most likely to watch LOST while running the bases... wait that is on Thursdays.

16) Ponch or John?

Grossman

17) What if I told you Bruce Willis wants to hang with you, would that be something that could be of interest to you?

Hell yeah, we would want to Hang Out or Die Hard.

18) What are you more likely to wear, a monocle or spats?

If a monocle is good enough for Mr. Peanut, it is good enough for us.

19) Song and Drinking Game that best describes your team and why?

"Break My Stride" by Matthew Wilder...because the singers real name is Matthew Weiner. And saying Weiner is hilarious. At least it is to Scott. Our drinking game is Shoulders. Because it is random...we are certain that no one else picked it.

20) Please tell us something brief about your team that you think the league should know.

Roach calls dibs on any new boys in the league.

Rachel plays the fiddle. Mike Shroeder chugs beer faster than everyone. Meagan is no longer offering free Beadazzling- you'll have to work for it.

The Captains gave Luke two pitchers of beer to write the funny answers to some of these questions- THANK YOU LUKE! (The ones that suck are Michelle's fault) THANK YOU MICHELLE!

**Grossman?!
Well at least it's
not Rex...**

*Because we're f*cking awesome and can't wait to show everyone our super awesome air humping I mean... kickball skills.*

4) If the premise for Perfect Strangers played out in real life and happened to you, how would you have reacted?
I don't really remember the premise for Perfect Strangers so I'll have to pass on this one...

5) True or False: Van Damme Friday should become an officially recognized holiday and celebrated the third Friday of October every year?
False Van Damme sucks and so does this question.

6) If your team were sent to jail, who would turn the fastest on everyone else to get a shorter sentence?
That would be me I'm not going to lie about it. But it's only because Scott would end up killing some one before he had a chance to turn on anyone.

7) If your team was in a plane crash in the Andes, and survival meant having to eat someone from your team, who would you eat? Follow up, who would you never consider eating?
Penny would be the first to go then we'd just have to wittle our way down until there was only one fat happy survivor left.

That Blimp looks delicious... Can't imagine what the gas is that powers it...?

Chewbacca, start paying your way or it's back to turning tricks on New York Avenue...

8) What is the square root of your team?
What? I failed 9th grade math.

9) Chewbacca comes over to your house, sheds all over the place and eats all your food, what do you do, and what the hell is his problem?!
Chewbacca actually already lives at my house and sheds all over the place, we make him work for his food so that's not really an issue. We beat the crap out of him when he's short on his mortgage payments though.

**They are
the
definition of
perfection,
are they
not?**

4) If the premise for Perfect Strangers played out in real life and happened to you, how would you have reacted?

I assume this is about the sitcom, not the Bruce Willis-Halle Berry movie. For the record, if we are talking about the Halle Berry movie, I would have tapped that ass until it smoked.

Otherwise, I would have made Balki a stripper whose routine consists entirely of the Dance of Joy. Hilarity ensues.

5) True or False: Van Damme Friday should become an officially recognized holiday and celebrated the third Friday of October every year?

False, Van Damme Friday should be celebrated every month! Or, perhaps on the 18th of every month. Van Damme celebrations should revolve around the display of an inappropriate erection, be it real or simulated.

6) If your team were sent to jail, who would turn the fastest on everyone else to get a shorter sentence?

Someone from the Marriott contingent. I doubt a prison cot would compare to the Marriott Bed experience.

7) If your team was in a plane crash in the Andes, and survival meant having to eat someone from your team, who would you eat? Follow up, who would you never consider eating?

Rick is filled with beery goodness. Baltos looks like nothing but lean muscle and gristle.

Never! Trans Am's rule. Plus, now I have a DD.

11) Chinese Democracy from Guns N' Roses has finally been delivered to their record company...do you care?

Is the guy from the Guitar Hero in that band?

12) What does your team name mean, if anything?

Two Short of a Threesome is the encapsulation of my present, past, future and social ineptitude.

13) What happened to Quentin Tarantino...I mean seriously?!

Margaret Cho ate him

20 Questions with *John Albers* from *Two Short of a Threesome* cont...

14) How much for one rib?

About 50 cents, adjusted for inflation, 90 cents

15) Who on your team is most likely to get lost while running the bases?

The bases. Funny. That implies reaching a base.

16) Ponch or John?

Ponch

17) What if I told you Bruce Willis wants to hang with you, would that be something that could be of interest to you?

That bitch owes me 20 dollars.

18) What are you more likely to wear, a monocle or spats?

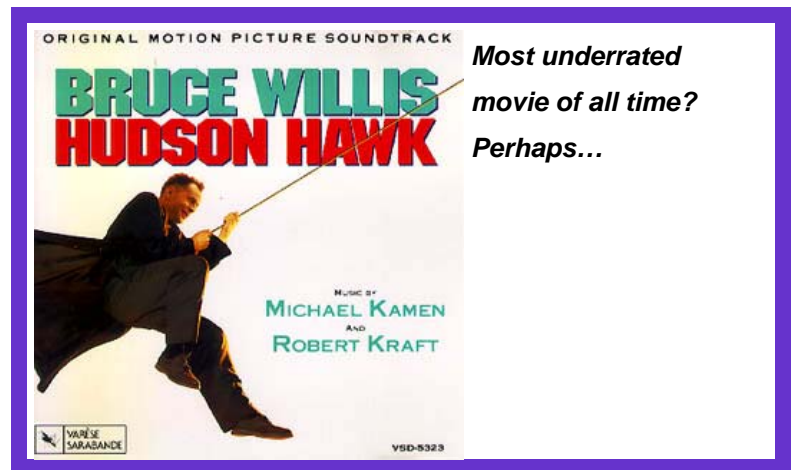

Puffy Shirt

19) Song and Drinking Game that best describes your team and why?

Why Can't Be We Be Friends? & Drink the Beer (i'm going for the high score)

20) Please tell us something brief about your team that you think the league should know.

This year, the league will have the distinct pleasure of getting to know my team right along with me. Many of the people signed up for the team, I have never met before. Regulars of the past have moved on to kickball-less pastures, and Alaska, for now. As is the case every year, my goal is to have a fun team. Not an especially good team, an especially competitive team. Hopefully a team that is fun to play against, a team that doesn't take itself too seriously, a team that will suffer the inevitable beatings it will endure with class, cheer and beer.

Most underrated movie of all time? Perhaps...

20 Questions with *Aryan Rodriguez* from *RedBullsHit*

Our fifth interview was with *Aryan Rodriguez* of *RedBullsHit*, these types of questions are not new to her, as dealing with DC Government on a daily basis makes these questions seem run of a mill. Let's have at it...

1) If your team were running for president of the US, what would be your campaign slogan?

*Don't stand for TheirBullsHit – vote **RedBullsHit***

2) If you were buried alive in a food avalanche, what food would you hope it would be when you started eating your way out?

Guava because it's fun to say. All together now: "Gua-va."

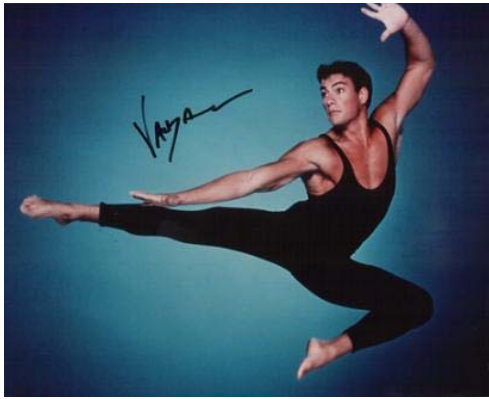

3) Why did your team decide to play in Happy Hour Kickball?

Is there any other league?

4) If the premise for Perfect Strangers played out in real life and happened to you, how would you have reacted?

I think this would be a good time to bring back defenestration. Mypos???????

20 Questions with *Aryan Rodriguez* from *RedBullsHit* cont...

One of the best Belgian exports since beer and fries.

5) True or False: Van Damme Friday should become an officially recognized holiday and celebrated the third Friday of October every year?

YES! But can we also have Mr. T Tuesdays?

6) If your team were sent to jail, who would turn the fastest on everyone else to get a shorter sentence?

Party Marty. Anyone know what happened to Lee?

7) If your team was in a plane crash in the Andes, and survival meant having to eat someone from your team, who would you eat? Follow up, who would you never consider eating?

I think our 6ft/7in teammate (a.k.a. Alex) would ap-

pease our team. He's a big guy – his meat would go further. (Read into that what you want.) As far as who we wouldn't eat, I'd have to go with Mere. Sorry my darling but I don't think your size 0 will not be enough to satisfy Jeremy.

8) What is the square root of your team?
Circle + Triangle

9) Chewbacca comes over to your house, sheds all over the place and eats all your food, what do you do, and what the hell is his problem?!

We'd throw him into the Great Pit of Carkoon to be slowly consumed by the Sarlacc... Big furry jerk. Oh, and order out for some Pizza the Hut.

10) You've just been given the KITT from Knight Rider, how long before you tell the car to shut the f*ck up and mind his own business?

Roughly three episodes.

11) Chinese Democracy from Guns N' Roses has finally been delivered to their record company...do you care?

WTF????????????????????

12) What does your team name mean, if anything?

RedBullsHit translates roughly to "Drunk Girls are Clever." They really are.

13) What happened to Quentin Tarantino...I mean seriously?!

He got tired of churning out thinly-veiled spaghetti westerns. His next project is rumored to be an epic kabob romance. Either that or he just decided to pull a "Dick Cheney."

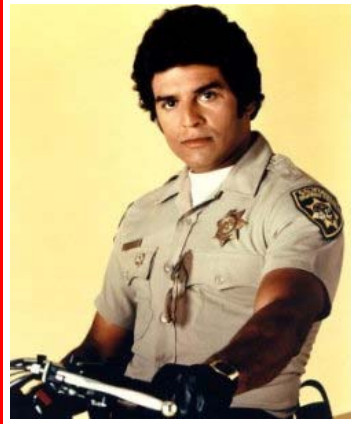

14) How much for one rib?

Who's rib is it??? If it's the proverbial rib then I guess I would pay top dollar... If it's Porky's I would reconsider. There was always something funny about that stuttering pig...

15) Who on your team is most likely to get lost while running the bases?

Um, yeah, that would have to be Alex. But not to worry! We've installed a GPS onto his uniform.

20 Questions with *Aryan Rodriguez* from **RedBullsHit** cont...

Now there's a handsome man...

16) Ponch or John?

Ponch, I mean really, this was a no-brainer.

Yes, but only if he performed his "Classic Bruce Willis: The Universal Masters Collection" in the nude.

18) What are you more likely to wear, a monocle or spats?

The accessory made popular by the incomparable Mr. Peanut.

1) If your team were running for president of the US, what would be your campaign slogan?

*This question needs no further answer other than to look at our name. **It's Business Time!***

2) If you were buried alive in a food avalanche, what food would you hope it would be when you started eating your way out?

Double Cheeseburgers.

3) Why did your team decide to play in Happy Hour Kickball?

4) If the premise for Perfect Strangers played out in real life and happened to you, how would you have reacted?

Send him back.

5) True or False: Van Damme Friday should become an officially recognized holiday and celebrated the third Friday of October every year?

True, so long as teachers get the day off as well.

6) If your team were sent to jail, who would turn the fastest on everyone else to get a shorter sentence?

Eddie (captain note: This is definitely good to know).

7) If your team was in a plane crash in the Andes, and survival meant having to eat someone from your team, who would you eat? Follow up, who would you never consider eating?

*Can't decide on who we would eat, however, we would never eat **Thomas** because what would we do without our team babysitter?*

20 Questions with *Thomas Lanham of It's Business Time!* cont...

8) What is the square root of your team?

In order to avoid the obvious answer of 69 which is what you were shooting for (and nothing wrong with that), we are going to say 48 which is how many ounces are in a standard beer pitcher. Some of us on the team have done extensive research to substantiate this number.

9) Chewbacca comes over to your house, sheds all over the place and eats all your food, what do you do, and what the hell is his problem?!

I tell my brother's wife to clean up after herself next time, and chip in for groceries every once in a while.

10) You've just been given the KITT from Knight Rider, how long before you tell the car to shut the f*ck up and mind his own business?

Never. KITT is the voice on my TomTom.

11) Chinese Democracy from Guns N' Roses has finally been delivered to their record company...do you care?

Not really, except Dr. Pepper is being given away for free if it drops in 2008.

12) What does your team name mean, if anything?

*Tuesday night is the night we go to visit your mother but Wednesday night is the night we make love cause everything is just right...conditions are perfect...*It's Business Time!**

13) What happened to Quentin Tarantino...I mean seriously?!

Does it really matter? Honestly. How will this question help me get through my day?

14) How much for one rib?

Like everything else, the market for ribs is in recession. I'd hold out personally and wait it out.

The beginning of the rib bit...

15) Who on your team is most likely to get lost while running the bases?

Liz Siegel. Hands down.

16) Ponch or John?

Whoever won a best of three pitcher race

17) What if I told you Bruce Willis wants to hang with you, would that be something that could be of interest to you?

*Absolutely...I mean our team name is *It's Business Time**

18) What are you more likely to wear, a monocle or spats?

Spats - We really like shoes (captain note: No guys answered this question.)

Note the spats...

20 Questions with *Thomas Lanham* of *It's Business Time!* cont...

- 19) Song and Drinking Game that best describes your team and why?
Party like a rockstar, games-asshole, fuck the dealer
- 20) Please tell us something brief about your team that you think the league should know.
We are kind of lushes and we will try to win a game this season!

20 Questions with *John Collins* of *Urine Trouble*

In our final get to know you interview we hooked up with *John Collins*, captain of *Urine Trouble* and got to it, what makes his team flow?

- 1) If your team were running for president of the US, what would be your campaign slogan?
"I know Victoria's Secret... she's voting for Urine Trouble."
-This message has been approved by Urine Trouble for president.
- 2) If you were buried alive in a food avalanche, what food would you hope it would be when you started eating your way out?
Jumbo slice pizza. It is just too delicious. Luke warm though, otherwise we would be smothered in scalding hot pizza sauce.
- 3) Why did your team decide to play in Happy Hour Kickball?
We came so close, but yet so far from the championship last year. Our goal this year is to go all the way to the top of the podium so that we can all check "win kickball championship" off our Things to Do in Life list.
- 4) If the premise for Perfect Strangers played out in real life and happened to you, how would you have reacted?
I would have become incredibly enthralled with Balki's story and moved to his tiny island of Mypos (sp?) to herd goats until my old age ended up rendering me useless as a goat herder and then I would spend my time relaxing on my deck.
- 5) True or False: Van Damme Friday should become an officially recognized holiday and celebrated the third Friday of October every year?
It's on my outlook calendar now. I think it should be National Van Damme week though, b/c you can't pack roundhouse kicks like that in just one day.
- 6) If your team were sent to jail, who would turn the fastest on everyone else to get a shorter sentence?
Probably Brian and Maureen Vandegrift. They are a calculating couple that are capable of anything.
- 7) If your team was in a plane crash in the Andes, and survival meant having to eat someone from your team, who would you eat? Follow up, who would you never consider eating?
If I were on a plane crash in the Andes we would probably end up eating Tara Terndrup who has always been a solid member of our squad and would definitely give up herself for our well being. I would never consider eating Jon Elkaim, because he is just too wirey and muscular and he's not kosher.
- 8) What is the square root of your team?
Square Root of "Urine Trouble" = determination.

One Word...Delicious

20 Questions with *John Collins of Urine Trouble cont...*

9) Chewbacca comes over to your house, sheds all over the place and eats all your food, what do you do, and what the hell is his problem?!
*He is incredibly rude. I guess we would just have **Billy Howard**, a natural animal lover and outdoorsman, strike up a conversation with him and ask him to clean up.*

10) You've just been given the KITT from Knight Rider, how long before you tell the car to shut the f*ck up and mind his own business?
Probably right after I see the mpg that puppy gets. KITT is definitely a little sassy though.

11) Chinese Democracy from Guns N' Roses has finally been delivered to their record company...do you care?
We have a blog, www.Urinetrouble.org/GNR/ChineseD/wow if you want to know how we really feel about it.

12) What does your team name mean, if anything?
*I think ours is pretty straightforward. We have yellow shirts and our name is **Urine Trouble**. We tried to go for the low-brow humor on that one.*

13) What happened to Quentin Tarantino...I mean seriously?!
He made Planet Terror last year? Who can't love a woman with a prosthetic machine gun leg?

14) How much for one rib?
I don't know, how much just to lick off the sauce? (that's what she said)

15) Who on your team is most likely to get lost while running the bases?
*Probably one of the newbies, maybe **Josh Webb** or **Chris Gamboa**.*

16) Ponch or John?
Ponch, hands down. That's like asking if you want either razor blades or chocolate chips on your sundae.

17) What if I told you Bruce Willis wants to hang with you, would that be something that could be of interest to you?
Absolutely not and here is my evidence. Carl Winslow hung out in his basic vicinity and had a body dumped on his car that then engaged him in a life or death drama all day, Samuel L Jackson hung out with him and he was almost shot/ blown up by an international terrorist. It just doesn't pay dividends.

**Carl
Winslow,
John
McClane's
true
friend...and
more?**

18) What are you more likely to wear, a monocle or spats?
We are more likely to wear two monocles, because seeing out of one eye is so 1800's.

19) Song and Drinking Game that best describes your team and why?
Probably "Kings" because we are out to dominate and oppress this league from day 1 and we love gambling/ card games and Poison's Every Rose has it Thorn in honor of the Rock of Love II. know.

20) Please tell us something brief about your team that you think the league should know.
I think everyone should be wary of us because we have a lot of new recruits from major D1 kickball schools that should be able to come in and make an immediate impact and maybe even start a few

*games. We also have **Cunningham** thinking up some nifty trick plays as we speak.*
