Happy Hour Kickball

Actual and Factual News aka Stuff We Didn't Make Up

Monday, June 23: Fall Registration is Open!

That's right it was so fun last fall we're doing it again this fall. If you're interested, email [us](#) to reserve a spot for your team, or yourself as an individual.

When: Sundays starting September 7 running through until the Playoff Day, Saturday November 8

Cost: Still the most economical league in the area at \$46.00 a person, you can't beat that!

Game Times: 10:30am and 11:15 am so we can get done in time to head to our bar to catch each Sunday's NFL action that's going on that day.

Parties: Still having 3 parties, the Beer OH Lympics and outings during the season itself. We'll definitely hit up a Nats game for sure. I sense a scavenger hunt as well as a Flip Cup tournament...stay tuned.

Monday, June 23: Happy Hour Kickball is going out to hang out with the Nats at their new digs, Nationals Park. The plan is to do a little pre-game tailgating in Lot 8 at good ole RFK starting around 4:30 pm. This will include beer, shotgunning of beer, and maybe some flip cup. Afterwards we hop on the Nats Express and head over to the game. If you're interested sign up for the event on the [Ning](#) page, or shoot us an email at happyhourkickball@gmail.com

Saturday, July 5: Happy Hour Kickball goes Tubing! Do you feel like rolling down a river in a tube with a beer? I thought you would. This is tentative based on interest. If you're into it, let us know at happyhourkickball@gmail.com

Saturday, August 2: Playoff day and Kick Ass End of the Season Party. Details are still being worked out, but count on it being a great way to wind down after a long day of tournament style kickball. Awards ceremony and crowning of the Summer 2008 Happy Hour Kickball League Champion. Can the 'Runz repeat?

Saturday, August 23: The first annual Happy Hour Kickball **Flip Cup Tournament!** This first time event will be a strict flip cup event, 5 or 6 on 5 or 6. Get back to us if you're interested in fielding a team at happyhourkickball@gmail.com.

Rainouts—In the case of a rainout, the website will be updated by 4:30 pm, the day of the game. If the rainout occurs after 4:30 pm, the division heads will contact captains, or the appointed contact persons, and it will be the captains' responsibility to inform their respective teams. Of course our specials at the Barking Dog will still be honored.

Referees—Each must provide a referee, either for the 6:30 pm game if you are playing at 7:15 pm or for the 7:15 pm game if you are playing at 6:30 pm. Failure to provide a referee will count as a forfeit.

Forfeit Policy— Only really occur if you have less than 4 people, this will be very difficult to accomplish, so we don't think this should be an issue...

Where My Pitches At? Vs. Dorothy Mantooth Allstars

Pinch Hitting

by *Scott M*

Michelle procrastinated, and forgot to do a write up. This now leaves me to toss something together quickly. Make note, this is my first write-up contribution to the newsletter. Unfortunately, I'm having trouble placing the evening back together on the exact details of our game. Something like this. We had 4 or 5 home runs. I think everyone on our team scored once, and it was an easy victory. Ahhh, and there was some guy on their team that liked knocking over our girls, and sliding head first into bases when there wasn't even a play at the base. Thanks **Run Juice Run** for hosting the theme, and providing lots of fun little trinkets.

Final Score: **Where My Pitches At? 9—Dorothy Mantooth Allstars 2**

There were trinkets?! Why was I not told of the trinkets?!!! Who's running this show? I feel so alone...

I did prefer version 1 of this write up, it was a lot more graphic and involved romance, nudity, vomiting, nudity,....

B.O.O.O.M.!!! Vs. Booty Call

B.O.O.O.M.!!! Gets Their **Tushy** Squeezed

by *Tim*

The **anals** (yes, I spelled “annals” wrong; bite me) of HHKB have so much **junk in their trunk** that it's hard to decide where to fit in such a display of athleticism, passion, and American spirit (America! F*\$@ yeah!) as occurred this past Wednesday. These are the games that turn into made-for-TV movies. On Lifetime.

B.O.O.O.M.!!! was conspicuously down several key players, not the least of which being “Second Base” *Steph* and *Neel* (nickname withheld to protect the innocent). Actually, *Neel* was key because for the past few games, he had been keeping a written lineup. *Tim* panicked and made quite a **derriere** of himself by not thinking to write one down, so the lineup inadvertently changed a couple of times during the game (sorry *Chip*).

Aside from that, the game was nothing short of brilliant. *Fernando* was **B.O.O.O.M.!!!'s** all-star by far, and had a monster 3-run homer which lifted the team's spirits early on as it tied their all-time high score in a game: 4. He was also pretty busy in the field, deftly handling all the big yellow balls that fell from the sky within 20 feet of him. *Katie*, not wanting to participate interfere, even let *Fern* steal a ball which she could easily have caught. Sadly, *Jon* was knocked on his **buttocks** early on and was reduced to shaking his **ba-donk-a-donk** (is that the correct hyphenation? Is there actually hyphenation?!?!) as a cheerleader for the rest of the game.

B.O.O.O.M.!!! vs. Booty Call cont...

Butt the opposing **Keisters** had their fair share of brilliance as well. In a play that can only be described as the reason that SportsCenter exists, the left fielder tried to catch a ball, only to have it ricochet off of her and into the open arms of the third baseman who had the foresight to turn around. In **hindsight**, a good call on his part.

B.O.O.O.M.!!!, in an attempt to cover their **asses**, showed up in force at the bar to recover some semblance of dignity after having their **rumps** handed to them. Unfortunately for **Chip**, he was a full 50% of the representation from Team **Hindquarters** for the flip cup battle.

All was not lost, however, at least not as quickly as **B.O.O.O.M.!!!** was hoping. In a stunning feat, Team **Chip** and **Mark** managed to beat a force of four **B.O.O.O.M.!!!** players in the second match of the round. Facing eternal embarrassment at the prospect of a loss, **B.O.O.O.M.!!!** got their **rear** in gear...only to quickly lose in the next round.

Heinie! Fanny! Buns! Posterior!

And because I tried to not say it in the rest of the writeup, I have to say it at least once...**Booty!**

Final Score: B.O.O.O.M.!!! 4 - Booty Call 10

If Lifetime is television for women, why is there always some woman getting beaten on Lifetime? I've spent five years of my life trying to invent an anal bum cover, failing to do so is my greatest regret.

Two Short of a Threesome vs. It's Business Time!

Oh Yeah!

by **John Albers**

And here to present the award for victor in the game of "**It's Business Time** versus **Two Short of a Threesome**," and the star of a dream I have every night, entitled, "Touchdown My Pants," Halle Berry!

Halle: Thank you. You take the good, you take the bad, you take them both and there you have the nominees for victor in the game of "**It's Business Time** versus **Two Short of a Threesome**." And the nominees are:

"**It's Business Time**" and "**Two Short of a Threesome**."

And the winner is . . . "**Two Short of a Threesome!**"

Accepting for **Two Short of a Threesome**, *Me*.

Me: Wow, I can't believe it. We won a game. So many people doubted us. And frankly, things looked pretty bleak, down 5-1 in the bottom of the 6th. There's so many people I'd like to thank.

Two Short of a Threesome vs. It's Business Time! cont...

Firstly, the entire **Two Short of a Threesome** team. You guys never gave up. *Rachel* got a single despite not being able to run. *Rishi* scored despite pulling a hamstring. Fantastic stuff. Finally, I'd like to thanks sperm, because without it, I wouldn't be here.

More Yeah!

by *T-Train*

It's Business Time started out strong against **Two Short of a Threesome**. We went up by one in the first inning. However, **TSoaT** came back with a run of their own. The rest of the game is boring until the last inning. There, **IBT** was able to score a few more runs and take a 5-1 lead. The lead was not enough as **TSoaT** made a great two out rally to win 6-5 on a kick by *Albers*. **IBT** came close to actually having a full team with the addition of *Whitney*, who had a good first game.

At the bar, it was a totally different story. While many members knew what **TSoaT** was going through on the fields, Flip Cup is a different story. After rallying the troops and determining who our team would be, **IBT** went on a tear after taking down **TSoaT** and beating powerhouses **RedBullshit** and **That's What She Said!**. However, in the finals, we lost to the **Juice** 3-2. *Angie* and *Tina* went on to own the Beer Pong tables while the guys took the second round of FLONG. Now that the girls are out of school, these newsletters should get a lot better from **IBT**, so stay tuned.

Final Score: **Two Short of a Threesome 6 - It's Business Time! 5**

I did not see this game, but I was reffing on field 7 when the game went on. At one point a kick by Albers landed at second base of field 7, by the time said ball was recuperated, Albers was rounding third. If he did that against my team, I would ask Albers to go get it, 'cause kicking the ball that far is just too damn far. In separate award show news, Albers while attempting to leave the stage walked to the right instead of the left and was reminded by the Halle Berry that in fact he was supposed to go right, after starting at each other for a half second, Albers asked Halle to re-enact the scene (you know which one!) from Monsters Ball, unfortunately for Albers she politely declined and explained that after seeing Billy Bob Thornton naked she no longer has interest in the male form. Dam you William Robert!

The Juice is Loose! vs. Lindsay Lohan's Drinking Buddies

The Juice Is Loose! vs. **Lindsay Lohan's Drinking Buddies**

by the **Juicers**

The Juice met **Lindsay Lohan's Drinking Buddies** in the pre-season but that was nothing like playing against them in the regular season. While they were down a *Lohan*, they really played strong. It was a good game, but **LLDBs** unbroken streak of losses continues.

The Juice is Loose! vs. Lindsay Lohan's Drinking Buddies cont...

The Juice was really loose – that's what happens when you have 4-5 PBRs in 45 minutes before playing kickball. We took advantage of our natural high on the fields and popular Mardi Gras theme to the flip cup tables where we swept all teams to win the Tournament.

Final score was 9 to 5. Thanks to *Le*, *Jess* and *Katie* for reffing a good game and thanks to *Dee Dee* for providing two reffs for the early game.

Here are our highlights:

- Pre-game at Comet was a bit small – just *John*, *Lou*, *Blake & Seamus* – but more PBRs were put away than normal
- The game was close until *Marie* started a scoring drive that everyone seemed to participate in
- *Seamus* failed to take his own advice about kicking it on the ground and popped out in foul territory
- *Lou* had an awesome catch even though he busted a finger doing so; Someone needs to learn how to catch
- *Margot* had the game ending catch on 3rd
- *John* had an unassisted double-play – MVP of the night
- *Allyson* brought Hennessy out to cheer us on
- *Marika* had a nice dive at 3rd to remain safe after overrunning the base
- *Jason* spent more time on the ground than the ball, but was always safe and continued to drive in the runs
- The Mardi Gras theme was quite fun; thanks to *Where My Pitchers At?* for decorating the Barking Dog with balloons and banners
- *Becky* showed up with a zillion beads she claimed that "a friend" had earned in New Orleans - does the line "a friend" ever work?
- Cake for *John's* 28th birthday!
- Rowdy *Juice* + Beer + Flip Cup Tournament = Domination
- Balloon fights and dancing to end the night
- *Steph* did a drive by as everyone was leaving the bar and left her car in the street; later, she got pulled over due to poor driving, but was able to get out of a ticket by giving the nice policeman some Mardi Gras beads to take home to his wife

Our quote of the night goes to *John*: "She is a first-time homeowner." Now, this seemed very funny to us that were drinking heavily, but I'm not exactly sure what it means.

We have decided to take this opportunity (and future newsletters) to introduce you to the members of the Juice squad. Here are the first three:

Ken Modde is a long-term member of the **Juice** squad after forsaking Ultimate on Wednesdays. Unfortunately, *Ken* also has a job that relocated him to Kansas City and recently Virginia Beach. This has not stopped him from flying and driving in to attend HHKB parties, the occasional kickball game and Beer Oh-Lympics. *Ken* is a founding member of 3-time Beer Oh-Lympic Team XBK. *Ken* enjoys drinking, playing flip cup and fondling short girls. If you would like to visit him in Virginia Beach, just ask nicely (invitation restricted to women only).

The Juice is Loose! vs. Lindsay Lohan's Drinking Buddies cont...

Marie Casso is also a long-term member of the **Juice** and a key member of every flip cup win. *Marie* has two flip cup tournaments and three Beer Oh-Lympics trophies to her name. In addition to kickball and flip cup, *Marie* plays soccer, football, volleyball, rugby, tennis, aussie rules football, table tennis, croquet, jacks and cricket. In the Fall, her list of sports is even longer. In her free time, *Marie* likes to practice beer pong and is known to drink on occasion.

Marika Mullen is a veteran member of the **Juice** and past incarnations as well as teams in Adams Morgan. *Marika* prefers skirts and flirting when playing ultimate, kickball, volleyball and drinking sports. She is an outstanding dancer and is willing to teach (men) to dance, so if you are interested, stop by the dance floor and give her a whirl.

While *Marika* is light on her feet, she is known to take the occasional fall – in the field, on the sidewalk, on the dance floor, down the stairs, etc. In her spare time *Marika* is getting her masters in sexuality – yes, she will be a master of sex when she finishes her degree.

It's always nice when the Juice gets really, really loose. Have you ever seen the Juice REALLY loose? It's wild, and can be dangerous. He's all over the place, and can't be stopped, like a runaway train with breaks. T

That's What She Said! vs. We've Got the Runz

Two runs isn't much when it comes to kickball.

However, it can be more than enough with the way our defense played.

All over the field plays were made to keep the **Runz** at bay.

The highlight of the day belonged to *Eduardo* with a diving two out catch.

Saved at least two runs from scoring.

We finally got some runners across the plate and gained a 2-0 lead.

Holloman continued his intimidating pitching style even in the late innings.

A 6th inning rally was staged by the **Runz** but it was unsuccessful.

Thanks in large part to a free out b/c one baserunner got greedy and tried to lead off first.

Shaking hands, playful banter, exciting finishes; that's how kickball should be played.

Hopefully **Fritz** was joking when he told me that he hated me during the hand shaking.

Even though I caught your line drive, I hope we can still be friends.

Sadly, I was a huge bitch this week and bailed on the bar activities.

Although, I could probably predict how the night went:

Imbibing copious amounts of alcohol, flip cup, beer pong, a few people falling, a

Drunken *Bocquet* yelling people's names & the token random hookup.

Final Score **That's What She Said! 2 – We've Got the Runz 1**

Intimidating pitching style = Roll the ball as rapidly as possible.

You know how I know you're a huge bitch?

You don't go out to the bar because you're PMS'ing

You don't want to walk by the retirement home because you're afraid they'll take your lunch money again.

Betty White tells you to 'sack up'

It hurts your feelings when **Chris B** doesn't yell your name

You watch "The Notebook"

You pleasure yourself to the Williams-Sonoma Catalog

You think Figure Skating is a sport

You call the next day

Because I'm a huge bitch too

Mid Season Party Recap

This past Saturday we had our Kick Ass Mid Season Party. For those of you that were there, you know it was a great time. Lots of 70's and Naval outfits and lots of beer was put down, I think about 7 kegs in the short time. Good drinking HHKBers!

But the best part of the night would be the fact that we raised almost one thousand dollars for our charity, The Children's Inn at NIH.

For those of you that missed out, we had both a live date auction and a silent auction. The bidding on both ends was fast and furious, but in the end we had a whole mess of winners.

FLONG: The Newest Beer Game

So, with the storm battering the Bethesda area last Wednesday, all kickball games were cancelled, however this did not cancel the fun to be had at the Barking Dog.

And with the assistance of a keg of Yuengling provided by Happy Hour Kickball, the newest drinking game was brought forth.

From the brain of *Aryan Rodriguez* (captain of **RedBullsHit**) the game of Flong was born. Flong basically combines two of our favorite games, Flip Cup and Beer Pong. Initially, the game was called Flip Cup Beer Pong, but was shortened to Flong by *Budweiser Mike*.

But what are the rules of this newest game and how is it played? Luckily, *Aryan* was available to give us the lowdown after last Wednesday night's inaugural game.

The Equipment Needed:

5 solo cups lined up in Flip Cup Fashion on each side of the long side of the table (5 - 6 dependent on team size). Cups filled to the lower line as in any Flip Cup game.

10 mini cups (or 5 solo cups) set up in the typical triangle that one would set up if they were playing Beer Pong. The cups are filled to the lower line as you would while playing beer pong.

2 teams of ready and willing drinkers.

The Rules:

Each player stands along the long side of the table in their normal flip cup stance. The game begins much like a normal flip cup game with the two beginning flippers facing off and heading down in the normal order as one would in a normal game of flip cup.

Once one team has gone through all their cups and flipped them the winning team will point out the player on the opposing team most responsible for their team's loss. This person will then drink a mini cup of beer as a "punishment" for f'ing their team over.

The game continues in this fashion until one team has had all their beer pong cups drank by their opposing team. With the cups that are remaining on the table they are then handed out on an even basis to all of the losing players.

And that's how the game goes. Do you think you've got the skills necessary to step up to the Flong table?!

I want everyone to take a moment and think. I know you know at least one guy that is dating outside his league. Some dude that is batting clean up in the big leagues when he should be batboy for the Mobile Mud Dogs in single A ball - come on admit it. Shit- you might be the guy! If so, congratulations!

Ladies- ask yourself, are you dating a troll, a goblin, and nerd that your mother likes? If so, god bless you and if your not, get on the band wagon. Dating dorks is trendy- like doing blow in bathroom or wearing tube tops to go dancing.

I never thought I would ever admit this, but as I key these strokes I am glad I am a disgusting fat ass. After doing vast research this past week on the subject, it has come to my attention that girls prefer "funny" and "interesting" guys over guys with "muscles" and "good skin." This is the world's greatest news for guys like me. I have renewed hope that even an over weight gremlin like myself might be able to get with some super hot girl. To my fellow kickball brethren- game on! I say we set a tack for the women of the league and move full steam ahead. Marty- are you with me!?

Ain't That A Kick In The Head?!

This week we asked, "The Celtics beat the Lakers in the NBA Finals, what do you think?"

What's up with the little Celtics logo guy, is he a midget?
'Cause if he is, that's the worst basketball mascot ever.

Jason Yang, The Juice is Loose!

I guess a joke about Kobe getting bent over like a Colorado hotel worker might be in bad taste?
