Happy Hour Kickball

Actual and Factual News aka Stuff We Didn't Make Up

Tuesday, July 1: Fall Registration is Open!

That's right it was so fun last fall we're doing it again this fall. If you're interested, email [us](#) to reserve a spot for your team, or yourself as an individual.

When: Sundays starting September 7 running through until the Playoff Day, Saturday November 8

Cost: Still the most economical league in the area at \$46.00 a person, you can't beat that!

Game Times: 10:30am and 11:15 am so we can get done in time to head to our bar to catch each Sunday's NFL action that's going on that day.

Parties: Still having 3 parties, the Beer OH Lympics and outings during the season itself. We'll definitely hit up a Nats game for sure. I sense a scavenger hunt as well as a Flip Cup tournament...stay tuned.

Saturday, August 2: Playoff day and Kick Ass End of the Season Party. Details are still being worked out, but count on it being a great way to wind down after a long day of tournament style kickball. Awards ceremony and crowning of the Summer 2008 Happy Hour Kickball League Champion. Can the 'Runz repeat?

Saturday, August 23: The first annual Happy Hour Kickball **Flip Cup Tournament!** This first time event will be a strict flip cup event, 5 or 6 on 5 or 6. Get back to us if you're interested in fielding a team at happyhourkickball@gmail.com.

Saturday, September 6: The first ever Happy Hour Kickball Bethesda **Scavenger Hunt!** This first time event will have teams of 4 or 5 running around Bethesda finding objects, performing acts of stupidity (and kindness), and perhaps a little drinking at our local establishments. First stop, the Barking Dog at 1:00 pm!

Sunday, September 7: First week of the Fall Season!

Rainouts—In the case of a rainout, the website will be updated by 4:30 pm, the day of the game. If the rainout occurs after 4:30 pm, the division heads will contact captains, or the appointed contact persons, and it will be the captains' responsibility to inform their respective teams. Of course our specials at the Barking Dog will still be honored.

Referees—Each must provide a referee, either for the 6:30 pm game if you are playing at 7:15 pm or for the 7:15 pm game if you are playing at 6:30 pm. Failure to provide a referee will count as a forfeit.

Forfeit Policy— Only really occur if you have less than 4 people, this will be very difficult to accomplish, so we don't think this should be an issue...

Booty Call vs. The Juice is Loose!

The Booty Makes Orange Juice

by Booty Hunter

This match up featured two prolific veteran rivals fiercely battling for league supremacy! **The Booty** entered this contest riding a four game winning streak in which they were averaging 10 runs a contest. Not to be out done by **The Booty**, **The Juice**, coasted into this battle with their own four game unbeaten streak. Most on-lookers suspected that this game would go down to the wire and they were right! These teams were **HOT!**

Cy Young award winning pitcher Seamus McCloskey started the game off by deftly changing speeds and keeping **The Booty** off balance from the beginning. Not to be outdone by the grised veteran, rookie sensation **Booty Hunter**, consistently painted the corners with her infamous “bouncy bouncy” pitch that kept **The Juice** freshly squeezed.

The game entered the fifth inning all tied up at one a piece. It was at this point when several on-lookers from **Team B2e** insightfully commented “Hey wait **The Booty** only has FIVE players!” And YES, what an astute observation. **The Booty** was indeed playing 5 against 10 and displaying a feisty spirit that had never been seen on a kickball field. They were led by the awesome defense prowess of *Jeremy “Durdy J” Patton, Mark “Red” and Greenawalt, and Miguel “Only 1” Carrillo.* And the offense was dominated by the right feet of the *Sterling Sisters!* Despite the extreme showing of heart, guts, and glory they could not maintain their vigorous charge to victory. In the end **The Juice** was released and **The Booty** ran out of gas!

Big props go out to **The Booty** for their enormous display of courage on the field and to **Mark** for his strong showing of five on one flip cup!

Looking ahead to next week, **The Booty** has stepped up their intensity, rallied their troops, all in preparation of their epic battle against **Where My Pitches At?**. Bets have been made, trash talking has started, and thongs have been be-dazzled all in an effort to score big or go home!

Booty Call vs. The Juice is Loose! cont...

The Juice Is Loose! vs. **Booty Call**
by the **Juicers**

The Juice was playing with the lowest number of players all season, but so was **Booty**. The nine to five match-up looked uneven, but the **Booty** was still hearing the screaming voice of **Captain Chip** and so they took the field with determination. The game ended with **Pink** down 1-3. Thanks to **John** and **John** for reffing. The main action was at the Barking Dog where **Mark** represented the **Booty** universe by taking on **The Juice** in flip cup. He put up a tremendous fight but it takes quite a bit to upset the JFC team.

Here are our highlights:

- No juice = bad **Juice**
- **Blake** was MVP as he actually caught two balls and had a solo home run - basically, he turned a close double into a home run as **Booty** tried to hit him three times with the ball
- All the **lady Juicers** were outstanding on offense - getting on base over and over again
- **Sean** had a huge slide into 2nd base - he will show you the scrape if you ask nicely
- **Margot** had a great catch at 2nd base, **Jason** did not let a ball get by him at short stop and **John** had a great catch behind 1st base
- **Steph**, as she keeps saying, is really good at kicking - she got on base like 12 times in the game; on one play, **Steph** kicked the ball down 1st base where the 1st baseman tried to tag her and then throw **Seamus** out at home - he missed on both occasions

The 30+ person survivor flip cup had **Blake** and **Seamus** in the top 3 but **Chris** took the win

Final Score: **Booty Call 1 – The Juice is Loose 3**

Sounds like it was a great game, one understaffed squad looking to pull out a big win, and Juice played great defense, no arguing, no rules questions...was this a Happy Hour Kickball game?! What's next, cats and dogs living together, a Thursday morning with no hangover, a Frenchman winning the Tour?!

Two Short of a Threesome vs. B.O.O.O.M.!!!

Dickety O-Five

by **John**

A long, long time ago, I can still remember, my kickball team won two games in a row. But lament not. History has repeated itself. The world was a very different place in Dickety O-Five. We had to say "dickety" 'cause that Kaiser had stolen our word "twenty". I chased that rascal to get it back, but gave up after dickety-six miles.

Two Short of a Threesome vs. B.O.O.O.M.!!! cont...

Brash new artist John Philip Sousa dominated the air waves, and chariots now had 108 inch rims instead of the old 84 inch ones. To take the ferry cost a nickel, and in those days, nickels had pictures of bumblebees on 'em. "Give me five bees for a quarter," you'd say. For men, wearing an onion on your belt was the style at the time. They didn't have white onions because of the war. The only thing you could get was those big yellow ones.

Ah, Dickety-05. What a wild and crazy time. This past week, **Two Short of a Threesome** was anything by helter-skelter in the summer swelter. In what could only be described as a full team effort, **2Short** defeated a game **B.O.O.O.M.!!!** squad by the tally of 7-0. In terms of rally caps, the ledger was heavily on the side of **B.O.O.O.M.!!!**, the rally cap competition was truly a rout. At the bar, **2Short** was generous with their players, standing in for teams a few players short of a quorum, and accomplished a measure of success as long as "mixed success" is a measure of success. And now its on to Bye (week) bye (week) Miss American pie (week). Mmmm, Miss America Pie.

Know the Rules Son!

by *Neel*

B.O.O.O.M.!!! didn't get the rainout they wished for and continued their futilities on and off the field this week losing 0-7 at the field and 1-2 at flip cup. Sadly, **B.O.O.O.M.!!!** needs to address other issues before they can focus on their play. One of these is knowing the rules. This week, all the **B.O.O.O.M.!!!** team members that wear **Crocs** need to repeat the below two rules out loud to themselves 44 times.

1. **Rule 5.4 Tag-ups** - All runners must tag up before proceeding to the next base or the scoring home plate on a caught ball. **Note:** *This includes caught foul balls.*
2. Only the captain or co-captain can argue a call with a referee.

Final Score: **Two Short of a Threesome 7 – B.O.O.O.M.!!! 0**

Dickety-05, not nearly as good as dickety-06, but really that's a matter of opinion. I like pie and I bet I could eat 24 in 24 hours, what do you think of that? Impressed at the mere thought of it, or sickened by a desire to eat 24 pies?

*Don't judge me. And will person or persons wearing the **Crocs** please report to my office (the bar), it's time we had a chat on proper arguing. Don't go all Joe Gibbs on me and use all 3 of your timeouts in a row just 'cause you have no idea what's going on.*

B2E vs. Dorothy Mantooth Allstars

Kickball Report

by *Lonely Member at the Bar*

B2E vs. Dorothy Mantooth Allstars cont...

B2E played a decent game on Wednesday. Only 8 members showed up to play (3 girls and 5 guys), so everyone had the opportunity to play the whole game! We were ahead 2 to 1 going into the 6th inning when the **Dorothy Mantooth Allstars** made some great kicks to pull ahead 3 to 2. Kicker up at the bottom of the 6th...**Ryan** = home run!!!! Tying up the game 3 all.

At the bar, due to other circumstances, this member of B2E was the only one to show up= no one to play flip cup with her :(.

Thankfully some very generous teams, offered there services to contribute to the: Mutt Team, Mutt Rainbow Team, Katie's Mutt Team, Katie's Rainbow Team (or whatever name you prefer to call us).

Many thanks go to these amazing people who helped me make it to the championship round!!

Round 1: **Jeremy- RedBullsHit**
Mike and Rick- Two Short of a Threesome
Dan

Round 2: *Mike and Rick- Two Short of a Threesome*
Dan
Steve - Dorothy Mantooth Allstars

Round 3: *Dan*
Steve, Scott, and Elizabeth- Dorothy Mantooth Allstars

Final Round: *Dan*
Steve, Scott, and Elizabeth- Dorothy Mantooth Allstars

Thanks to everyone for allowing this fun loving, mixed up, mesh of a group to play and have a blast!!!

Final Score: **B2E 3 - Dorothy Mantooth Allstars 3**

Ah, the tie game. Kickball purgatory. The ambivalence is palpable. The whole notion of generous teams offering their services sounds so wholesome that it should be accompanied by puppies, except for the fact that I know Mike & Rick are syphilis addled whores, so any services they had to offer could only be tawdry and cheap. Shame on the both of you, taking advantage of a woman in need of help. That's my job.

Where My Pitches At? vs. Lindsey Lohan's Drinking Buddies

Oh yeah!

by *Michelle*

Where My Pitches At? vs. Lindsey Lohan's Drinking Buddies cont...

Living Lohan is difficult. Crazy attention seeking mother. Father with illegitimate spawn. Haven't made a good movie since Mean Girls. Being a **Lohan Drinking Buddy** is also difficult. First, you gotta compete with that Samantha Ronson for Lindsey's attention. Then you gotta get beat by **Where My Pitches At?**

Where My Pitches at would not let a little dog poo on the kickball stop them from scoring all over the place. On the field only. I will not comment on my teams off field scoring antics.

My Pitches put up 12 runs, including at least 1 home run. *Dan Rowe* was crowned team MVP after scoring a few runs and never dropping an outfield ball that came soaring his way- as hard as the *Drinking Buddies* prayed he would-it just never happened.

No matter what, we love all of the **Lindsey Lohan's Drinking Buddies**- but might we suggest that next year you should change your team name to "Amy Winehouse Crack Smoking Buddies" since she is the new totally troubled celebrity?

Final Score: **Where My Pitches At? 12 - Lindsey Lohan's Drinking Buddies 1**

How many times do you think Dan was forced to endure some lame attempt at humor regarding his last name, you know something about rowing a boat? Too obvious? How about Salmon Roe, aka a nice piece of Masago Sushi? No, too eastern? Maybe something like, let's not start a roe at the bar so as not to get banned? Again, too British? Well I can't help you, why do you want to hurt him so?!!!! Sicko...

That's What She Said! vs. RedBullsHit

What BullsHit!

by *Chris B* and a *Waffle Iron* won on *The Price is Right*

This past week brought two rivals (not bitter, that's not the correct word) from long ago back to face each other in what is a yearly match-up for supremacy of god knows what. It's like a bragging rights game, if anyone remembered to brag.

So, full of anticipation, **That's What She Said!** and **RedBullsHit** faced off on Field 5, on the line of most importance was the facial hair wager. See, prior to the game *Marty* and *I* had put porno 'staches on the line, with the loser having to rock said 'stache the following week, unbeknownst to them, *Stopher* and *Orlando* were involved as well.

But alas, after 6 full innings no porno stache was to be awarded (sentenced?) to either set of competitors as the game ended in a tie. The facial hair (or lack thereof) of all 4 players was safe...sadly for all of you.

That's What She Said! vs. RedBullsHit cont...

That does not mean however that there won't be a porno stache sighting at Happy Hour Kickball in the near future. Because so few of you demanded it, and because so many abhor it, the theme for Playoff Day (Saturday, August 2) will be for any player coming out:

The 1st Annual Pornostachia 2008!!!

So, if you feel so inclined, grow out that stache and support the worthy cause that is the careers of Tom Selleck, Jack Morris, Pat O'Brien, Keith Hernandez, Adam Morrison, Tom Skerrit, my Step Father, every NHL player from the 1970s, Ron Burgundy, Jake Plummer, and soon, *Martin Schell*, *Chris Lowry*, *Orlando Lopez*, *Chris Bocquet* and others!

But that's enough porn stache talk, here are the highlights of the game:

- *The Big C's* heads up base running, damn he's quick!
- *Stopher's* big kicks and big falls.
- All the *ladies* getting on base!
- *Dan Holloman's* game saving peg of the airborne *Jeremy Anderson*
- My mom!
- *Stopher's* mom!

That's all folks!

Special congratulations go out to "*Budweiser*" *Mike Townsend* and "*Budweiser*" *Melissa Thompson* (now "*Budweiser*" *Melissa Townsend*) on their recent marriage. Congratulations guys, we love you both.

A Lesson In **BullsHit** Sliding

by *Party Marty Schell*

This week we get a text book example of how you slide in Kickball. It happened when our great teammate *Jeremy* slid into first, sadly it's greatness was taken away by getting tagged out by *Dan Holloman* but it is still worthy of learning from. First step - Face First. in a great kickball slide is you go face first! Only baseball players slide feet first. They don't know the pure joy of flying through the air like Superman then wrapping your arms around the base like it is your girlfriend's chest. So much fun to nuzzle.

Second Step - HAVE long hair. I know what your thinking *Jeremy* has short hair but he as always is six steps ahead of everyone else. He brought his bright red haired mullet wig. There is something jaw dropping and damn near scene stealing about long hair flowing in the air as you fly towards the base.

Third step - Jump High. I'm not saying you smoke a bowl as before you round the bases, no what I mean is when you get ready to go for the gold you don't lay down like it is a slip and slide, you leap high and proud, you get that body so high it confuses the laws of physics on how you will carry enough forward momentum to slide forward to the base.

That's What She Said! vs. RedBullsHit cont...

That's right it is tricky but if done well it will look very painful when you land. Lesson over that is how you f'ing slide in kickball

RedBullsHit Victory Checklist

1. Get more people on base than the other team.
2. Kick ball really far so you can run home.
3. Catch ball consistently so other team can't get any runs
4. Hate the other team with burning passion of a thousand suns!

Managed only one on this checklist any wonder we tied the team that can not be named? Sadly, we just didn't pay enough to get the victory from the refs. Next time i'll send someone else for the pay off. Seriously *Spirou*, happy endings are important for victory!

Game Highlights

- Before game *Chris* says: we just lost three more guys for this game. (**RBS** may have a chance)
- *Aryan* with greatest pep talk email ever - PLAY HARD guys I have to live with this ego maniac
- Apparently we have yet to see the crazzzy angry *Justin*, but we came close when not getting together for a team meeting quickly enough
- *Orlando* can really kick the ball far
- When did *Dan Holloman* starts catching every damn ball kicked to him. You're killing me **DAN!**
- Secondly *Dan* who told you to embarrass your best friend by tagging him out, that is bad form man
- *Stopher* is hot when spread out on a leather couch, not so hot trying to make plays in left field
- My team got so wound up for the game they all decided to desert the bar early this week how very **un-RBS**

The facial hair bet this week was only a FACIAL hair bet, tying the game doesn't mean that we now have to shave below the equator you sick bastards.

Final Score: **That's What She Said! 4 – RedBullsHit 4**

*What?!?!? No porno-stache?!?!? I submit, that in the event of a tie, all parties to the wager must display the porno-stache. Why does Adam Morrison even grow a mustache? He looks like he is sporting the same mustache he had in 8th grade. With all the Mom's in attendance "That's What She Said" should have changed their name to "So's Your Mom" for the day. I like the imagery of a member of an 80's hair band diving head long into second base in full concert regalia, barely beating the sweep tag by Lou Whitaker. As the Hagakure (and Forest Whitaker) teaches, "The end is important in all things," and what better ending could there be than a happy ending? Hmm? Hmm? *Dan's* catching has progressed from catching hell, to catching colds, to catching to scabies, to catching Chlamydia, to catching kickballs. And then back to catching Chlamydia again. I wish someone had told me that I didn't have to man-scape. Does this look like a "Q" to you? How about now?*

FLONG: The Newest Beer Game

So, with the storm battering the Bethesda area last Wednesday, all kickball games were cancelled, however this did not cancel the fun to be had at the Barking Dog.

And with the assistance of a keg of Yuengling provided by Happy Hour Kickball, the newest drinking game was brought forth.

From the brain of *Aryan Rodriguez* (captain of **RedBullsHit**) the game of Flong was born. Flong basically combines two of our favorite games, Flip Cup and Beer Pong. Initially, the game was called Flip Cup Beer Pong, but was shortened to Flong by *Budweiser Mike*.

But what are the rules of this newest game and how is it played? Luckily, *Aryan* was available to give us the lowdown after last Wednesday night's inaugural game.

The Equipment Needed:

5 solo cups lined up in Flip Cup Fashion on each side of the long side of the table (5 - 6 dependent on team size). Cups filled to the lower line as in any Flip Cup game.

10 mini cups (or 5 solo cups) set up in the typical triangle that one would set up if they were playing Beer Pong. The cups are filled to the lower line as you would while playing beer pong.

2 Pong Balls.

2 teams of ready and willing drinkers.

The Rules:

Each player stands along the long side of the table in their normal flip cup stance. The game begins much like a normal flip cup game with the two beginning flippers facing off and heading down in the normal order as one would in a normal game of flip cup.

Once one team has gone through all their cups and flipped them the winning team will point out the player on the opposing team most responsible for their team's loss. This person will then have to drink a mini cup of beer as a "punishment" for f'ing their team over, but like all good games, they will have a shot at The Redemption Shot. The Redemption Shot occurs when said player then takes their team's pong ball and attempt to sink their ball on the first try at the pong pyramid. If they are successful they can choose a person from the opposite team to drink said cup. If they miss, no harm done.

The game continues in this fashion until one team has had all their beer pong cups drank by their opposing team. With the cups that are remaining on the table they are then handed out on an even basis to all of the losing players.

Do you think you've got the skills necessary to step up to the Flong table?!
