## Actual and Factual News aka Stuff We Didn't Make Up

**Saturday, May 31:** It's the greatest time of year, the 2nd Annual Summer **BEER OH LYM-PICS!** This wonderful event will be taking place at the Barking Dog in Bethesda starting around 12:30 pm and concluding around 6:30 pm. The events include:  
Flip Cup (5 people per side)  
Beer Pong (2 people per side)  
Team You Got Served (2 teams facing off around a circular table)  
Continuous A\$\$Hole (one member of every team playing at all times)  
The Beer Relay (takes what you did all day and slams it into one timed event)

Price is on a per person basis and will be determined based on the amount of teams participating. The entry fee gets you all the beer for the OHlympics and all you can drink during the day. If you're interested in participating email us directly at [happyhourkickball@gmail.com](mailto:happyhourkickball@gmail.com) to save a spot.

**Saturday, June 14:** Kick Ass Party #1 to be held at the Barking Dog. Cheap drinks, specials and a hell of a time! Get wasted and see your fellow kickballers in their nicest Saturday attire. Party starts at 7:00 pm and concludes at 11:00 pm in the sky lounge (upstairs). Theme to be determined in the coming weeks.

**Saturday, July 5:** Happy Hour Kickball goes Tubing! Do you feel like rolling down a river in a tube with a beer? I thought you would. This is tentative based on interest. If you're into it, let us know at [happyhourkickball@gmail.com](mailto:happyhourkickball@gmail.com)

**Saturday, August 2: Playoff day and Kick Ass End of the Season Party.** Details are still being worked out, but count on it being a great way to wind down after a long day of tournament style kickball. Awards ceremony and crowning of the Summer 2008 Happy Hour Kickball League Champion. Can the 'Runz repeat?

**Rainouts**—In the case of a rainout, the website will be updated by 4:30 pm, the day of the game. If the rainout occurs after 4:30 pm, the division heads will contact captains, or the appointed contact persons, and it will be the captains' responsibility to inform their respective teams. Of course our specials at the Barking Dog will still be honored.

**Referees**—Each must provide a referee, either for the 6:30 pm game if you are playing at 7:15 pm or for the 7:15 pm game if you are playing at 6:30 pm. Failure to provide a referee will count as a forfeit.

**Forfeit Policy**— Only really occur if you have less than 4 people, this will be very difficult to accomplish, so we don't think this should be an issue...

## Happy Hour Kickball's Kick Ass Mid Season Party Preview

*It's that time again, time for a Happy Hour Kickball tradition, a kick ass party!*

*This year, Kick Ass Mid Season Party is taking on a theme, because everyone loves a good theme.*

*The theme is 70's Disco Love Boat Style!  
What exactly does that mean, well I'm not exactly sure, but I damn sure want to see what you guys come up with!*

*In any case, you know you're going to have a kick ass time!*

*The specifics are below, but know that costumes and dressing up to fit the era is most definitely encouraged.*

*Hope to see you there, I'm out all you Happening Guys and Foxy Ladies!*

*The Details:*

**When:** Saturday, June 14 at 7:00 pm until 11:00 pm

**Where:** The Barking Dog (upstairs)

**Cover:** None for HHKBers, \$10.00 for friends

**What you get:** All the beer you can drink until the clock strikes 11:00 pm, ya dig?!

*If you're interested in being auctioned, hit us up at [happyhourkickball@gmail.com](mailto:happyhourkickball@gmail.com).*

**You Decide! Election 2008, Happy Hour Kickball Style.**

Who has the better Booty? **Chip** or **Cunningham**?

After a year of getting on me to get this done, we're finally going to have the election that everyone wants to see. No, not republican vs. democrat, or Coke vs. Pepsi, it **Chip** vs. **Cunningham** in a best booty of the league.

The choice is yours people! So this Wednesday following our games we will head to the BD for our post game festivities with an added twist. Both candidates will make a short (I repeat SHORT) speech and then we will have voting. If you're interested in voting, it will cost you \$1.00 with all proceeds going to The Children's Inn at NIH.

So, Happy Hour Kickball, who's it going to be?

## Urine Trouble vs. Booty Call

### Urine Trouble vs. Booty Call

by *Chris Gamboa*

It seems as though Team **Booty Call** has their scuba diving certifications and deep sea salvage licenses, because despite the torrential water main break on Jones Bridge, the pink team showed up in full force and was ready to go at the beginning of the duel.

**Urine Trouble** unfortunately had a difficult time with the water, and only began with 2 ladies on their squad. This put the **yellow** team at a personnel disadvantage to start out the game with only having 6 on the field total. Amidst the beauty of the lovely ladies of the pink team, **Urine Trouble's** men still managed to keep their cool and play their game. **Urine Trouble** started the 1<sup>st</sup> inning off strong with 3 runs, which helped set the tone of the game. **Pink** came up and managed to put a point on the board. Both teams showed exemplary defensive prowess with ESPN top 10 highlight catches, booming kicks, and cunning slides into the bases.

The 1<sup>st</sup> inning was the deciding factor for the game, and **Urine Trouble** managed to vanquish the formidable **Booty Call** Squad. Pending investigations for Steroid use are underway for players on both **Urine Trouble** and **Booty Call**. These players shall remain nameless until further reports are discovered.

Final Score: **Urine Trouble 3 - Booty Call 1**

## Get Drunk and Kick Balls vs. The Juice is Loose

GDnKB lives up to their name (again).

by Captain *Le* aka "*Shorty*"

As my boys staggered on the fields from an all-day "golfing" event, I felt a wave of panic as we were up against the almighty **The Juice is Loose**. *Anthony "Carmine"*, *Scott "Beckam"*, *Ben "That Guy"*, and *Jonathan "Train RunnR"* all looked like they just came from a HHKB Beer Oh-Lympics. But I should've known better, these boys were not mere mortals. MVP Pitcher *Carmine* threw several near-strikes but his outstanding double play, a bobbling-infield-pop-fly and runner-out-at-first ended the game with **GDnKB's** first win 9-7.

The game was one of the most heated this *Shorty* has ever been witnessed. **GDnKB** had one of its most glorious ending with 8 runs in the 3<sup>rd</sup>. Yes, 8 in one inning!! I'm framing the scorecard. And the sliding!! Both teams took full advantage of this new rule. *Marie Casso* of **The Juice** initiated the madness by sliding safely to 2<sup>nd</sup> base but the most memorable slide was from **GDnKB** first baseman *Beckam* as his "slide" was more of a roll-and-flip-safe-by-the-fingertip attempt. To think of it, *Beckam* had a bit of trouble staying vertical but we'll blame it on the shoes. He tells me cleats will make him untouchable (I'm sure the all-day "golfing" event had NOTHING to do with it).

## Get Drunk and Kick Balls vs. **The Juice is Loose**

Outfielder *Ben That Guy* made several great catches but was bored with the lack of action and would like to play second, short and third (all at the same time) at the next game. I told you these boys were not mortals. Third baseman *Train RunnR* and short-stop *Rob* were kept busy with kicks after kicks from **The Juice** (seriously, they really like to kick to that side of the field).

And now the ladies. Right outfielder *Jenn* was only teased with foul balls but she did keep **The Juice** third baseman *Allyson* and short stop *Jason* busy with her soccer-powered kicks. Outfielder *Julia "Jules"* demonstrated true kickball skills with outstanding defensive stops. Way to back-up *Rob*.

A great start to another great season. Truly enjoyed playing with *Seamus* and his fellow **Juicers**. My knee is still throbbing after trying to kick his pitches. You really have a mad crazy pitch!!

At the bar....hmmm, let's just say we were too drunk to win two weeks in a row but we're ready to claim that title back next week.

### **The Juice Is Loose!** vs. Get Drunk & Kick Balls

by *Seamus et al.*

Week 1 started with pre-game drinks and ping pong at Comet, onto the fields for a high-scoring game against **Get Drunk & Kick Balls**, and then to the Barking Dogg for lots and lots of flip cup. The **Juice** came up short against Le's **Get Drunk & Kick Balls** but it was a well played game. Thanks to *John Collins* and *Cunningham* for reffing. A post-Wednesday night e-mail thread was created which forms the basis of our recaps. So without further ado, here are our highlights:

#### **Who remembers last night?**

- Pregame at Comet with *Juice, Seamus, Steph, Lou, Blake,* and *Margot*....PBR rocks!!!
- Great game. Our offensive was better than I could have ever imagined. The only disappointment was that it was too dark to take a team photo.
- *Jason* with the soccer goalie catch
- *Sean* with the sliding knee catch
- *Juice* with the out at first which almost got away.
- Then the bar....PLEASE fill the rest of us in cause I know I'm very hazy on what happen. We won 2 rounds of flipcup before losing to the **yellow** team. After flip cup was over we started a new tradition....**TJIL** team flipcup to determine our flipcup team for the following week. The top finishers will play the following week in the competition.

## Get Drunk and Kick Balls vs. The Juice is Loose

- *Henrike* took it to the last 3 with the big boys in survivor flip cup
- *Juice* with a nice kick to get on base - he was as surprised as everyone else
- *Allyson* and *Marie* with awesome kicks to left field to get people moving around the bases
- Let it be known, that she is the one who bought me the tequila shot
- My favorite moment yesterday: *Seamus* screaming to *Steph*: "RUN" ...nothing... *Seamus*: "NOW!" *Steph* starts running... *Seamus*: "NO! STOP!" *Steph* runs back Didn't quite understand that reasoning (not a kickball expert like all of you) but it sure was funny!
- I never saw so many slides - even *Blake* had to dive back to 3rd to avoid getting out
- *Steph, Margot, Allyson, Henrike, Marika,* and *Becky* holding their own on 2nd and 3rd as GD&KBs kept sliding into the bases
- *Henrike* with an awesome catch on 3<sup>rd</sup>
- *Seamus* never even made it to 1st base
- Lots of bobbling - yes the ball is hard to catch
- *Jason* dancing with *Marika*
- *Emily's* b-day and *Party Marty* AKA the King had his crown - life is back to normal
- Body shots!
- Thursday's suck

Best quote (from Thursday): "ummmmm ya i dont remember what else happen so please fill us in."

Final Score: Get Drunk and Kickballs 9 - The Juice is Loose 7

## It's Business Time! vs. Dorothy Mantooth Allstars

Oh yeah!

by *The T-Train*

So after a half hour delay, *It's Business Time* finally got down to business. Having only seven members at the start might seem like a disadvantage, but we made it a positive. The outstanding defense of *Angie, Eddie, Chad, Jessica S.* and *Tina* was able to hold the **Dorothy Mantooth Allstars** scoreless despite some great kicking by the **Allstars**. On offense, *It's Business Time* was able to pick up two runs on a sacrifice kick by *Jessica O.*

Now down to where the real fun happens: The bar. At the bar, we decided to take a different approach to our flip cup team. Between *Angie, the Jessica's, Chad, Adam, Eddie,* and *I* we were able to once again make it to the finals. However, we must have really gotten to **Urine Trouble** last week, because we got swept by them in the finals. We are still leading the overall flip cup standings, and we aren't looking to relinquish the lead anytime soon. This week, we had another great showing at the bar and as the summer approaches, we will only be getting stronger. We are here to prove that this team is a force to be reckoned with both on and off the field.

Final Score: *It's Business Time* 3 - Dorothy Mantooth Allstars 0

## Two Short of a Threesome vs. Where My Pitches At?!

### F and U

by *John Albers*

I don't feel like writing a recap. So there!

### Oh HELL Yeah!

by *Michelle Nowell*

Thanks to a water main break, bad traffic, and what had to be the longest game in HHKB recorded history between **B2E** and **RedBullsHit**, **Where's My Pitches At** got to enjoy a Happy Hour Kickball first....a NIGHT GAME! Here are the highlights of a game shortened by impending darkness.

\* *Scott Maffett* kicked the long ball WAAAY to left field. Good enough for two maybe three bags. Then *Scott* got greedy and went for the home run. *Albers* pegged the dumbass as he was rounding third. That'll teach you to go for the inside the park home run.

\* The ladies of **Where My Pitches At?** are amazing. Great kicking and defense by the *Lady Pitches*. These girls can score on and off the field. Special thanks to *Roach* for taking one in the face. The cheap shot to the face got us a run.

\* *Michelle* pitched a shut out...because she is awesome.

\* In a play worthy of the ESPN Top Ten...*Matt Flynn* saved the day as he reached in and grabbed a ball that *Rachel* had caught and then simultaneously uncaught. Good team work guys!

\* Everyone who didn't see Arbor Day: The Redemption of a Hero really missed out. *Luke*, *Rachel* and *Eric* are extraordinary filmmakers.

Final Score: **Two Short of a Threesome 0 – Where My Pitches At?! 5**

## RedBullsHit vs. B2e

**RedBullsHit** is **B2e**-atn

by *His Holiness Paaarty Marty Schell* and *Aryan Rodriguez*

I know there has been much chatter about what happened to the Horse's Ass trophy winning team **Orange Crush**. The obvious question arises if **Orange Crush** did not come back who was going to be the next team to take on the mantle of Worst Team on the Field in HHKB? Fear not my people. **Orange Crush** didn't go anywhere. **Orange Crush** decided to lay dormant this fall and reform. We went into a cocoon to grow beyond the prepubescent being we were.

## RedBullsHit vs. B2e cont...

Unfortunately, our cocoon wasn't the cool ass cocoon that turned Don Amechi and Wilford Brimley into the bad mofos who could kick Steve Gutenberg's ass. It seems our cocoon made us just slightly less shitty than we were last year. Instead of turning us into the Wilford Brimley who can do flips off the diving board, we turned into the blind diabetic Wilford Brimley who hocks life insurance to seventy year-old grandmas.

All I'm saying is one team has already made a strong claim for the Horse's Ass Trophy and that team is **RedBullsHit**. (And we played a drunk team.) Let me add though while we may be pretty bad on the field we are a very strong team at the bar. It seems that the only innate ability this team has is its ability to hit the bar consistently every week and drink our livers off. That is the kind of skill that can't be enhanced by swimming with aliens—you either have it or you don't.

I guess I should get around to the game. I mean that is why you're reading this, right? For our inaugural game I supposedly (according to my captain and co-captain) went for the lackadaisical approach to kickball. Said approach does not seem to endear you to your captain or teammates. So if you take one thing with you from this article be it that people like when you appear to be trying to play hard. I'm not saying play hard; I'm just saying be a better actor than I am.

Highlights (Believe it or not we had HIGHLIGHTS!)

- 6:30 game starts at 7:20
- I pondered the existence of man and why any of us are here. Surprisingly, I missed 3 catches that inning.
- **Orlando** decides to start off the season right by kicking a homerun!
- **Aryan** continues her (non)hitting streak!
- **Justin** manages to only get mad at our suckiness three times during the game.
- **McGuire** managed to sneak on and off the field. One minute he is there the next he is gone. Seriously that guy should be a Ninja!
- **Puma** not only manages to slide and knock into another player but in a strange twist hurts herself in the process. Come on, **Puma**... I expect more from you.
- **Budweiser Mike** is "oh, so sexy!" in a Blonde Mullet.
- **El Presidente, Chris**, is the biggest cheater for stacking his team with cheaters.
- I'm still cold and wet after that Radiohead concert. (**Aryan** would kill me if inserted a certain punchline that happens to be a **team's name** this year.)

Final Score: **RedBullsHit 4 - B2e 6**

## B.O.O.O.M.!!! vs. We've Got the Runz

### Offense is for Insecure Pansies

by *Craig Fritz*

Ok people, seriously, this whole "kicking" thing is so old hat. Home runs and massive amounts of runs and exciting offense are for sniveling little douches.

## B.O.O.O.M.!!! vs. We've Got the Runz cont...

Exhibit A is the psychological beat down **We've Got the Runz** administered to **B.O.O.O.M.!!!** last week. I mean, the **Runz** only scored twice! **TWICE!** And still came out victorious. It's all because of pitching, defense and taunting – the tri-force of kickball destruction. If you don't know what a tri-force is, ask any of the guys in the league you think *may* have been nerds about 13 years ago, because it's a way interesting explanation, I swear.

Massive props to *Theresa "Filthy Stuff" Mencarini* for rolling a complete game and making some stellar defense plays in the process – rawk on.

Continued props to the **Runz** subset flip-cup team – **No Means Yes, Yes Means Anal**. We're putting up points on the regular.

### Ruminations on a Kickball Game from the Center of the World, and other \$2 words

by *Tim Marjenin*

What, you've never heard of Center of the World, Ohio? Can't say I blame you, I don't even think it's on the map. Anyway, as I was passing it this weekend, I realized I hadn't yet come up with a recap of the game last Wednesday, so I parked by the side of the road and jotted some notes on the back of a Chipotle napkin.

Mmmm, Chipotle.

Having babysat their colors during the fall season, **B.O.O.O.M.!!!** dutifully relinquished the "poop-and-urine" shirts back to the Summer '07 champs, **We've Got the Runz** (who have seemingly developed a distaste for the urine color). Not caring a whit about fashion, **B.O.O.O.M.!!!** now rocks traffic barrel orange the way we rock flip cup. In other words, not really. But at least most of us have matching socks.

Still in its infancy, the **B.O.O.O.M.!!!** franchise came out strong, with great showings from the whole team. In a departure from the previous season, we actually wrote down the kicking order because *Jon "Croc"* wasn't there to keep us in line. Also missing in action was *Annie "Human Liver"*, which hurt us in flip cup.

Surprisingly, it took the formidable opponents several innings to actually get "**runz**". Amidst the dropped catches and irrational fear of teammates running into them, we were in high spirits; I haven't told them that I found out later that this team apparently doesn't take the regular season too seriously. Still, a 2-1 loss is a lot better than the 8-0 blowout in our first game last season against **Goose's Great Balls of Fire**, especially since we once again had more girls than guys show up to play. So this season, look for the same happy-go-lucky, we-don't-give-too-much-of-a-damn team from last fall. If we can't win, we'll try to be as visually distracting as possible.

Final Score: **B.O.O.O.M.!!! 1 - We've Got the Runz 2**

## **That's What *She* Said!** vs. **Lindsey Lohan's Drinking Buddies**

### **Lindsay Lohan gets sent back to rehab**

by *Kieran "The K Man" Ryan*

It has all the makings of special season for **That's What *She* Said!**. A great team performance at the field and the bar showcased the talented team that *Capt. Bocquet* has put together. And for the record, all his free agent signings were both legal and reasonably priced. You can tell a lot about our team just by listening to the kicking entrance songs blaring from the high tech sound system. Selections included Du Hast, the Percolator, Rocky Top, Big Balls, and Glamorous. We also have our own WWF character in *Budweiser Mike*, who plays the hot corner in USA sweatpants, a championship belt, and the standard wrestler blond mullet. Then there is the first base tandem of *Joe Balls* and *Eduardo*, who prefer the method of pegging base runners rather than the more traditional approach of stepping on the bag.

At the bar, *Chris, Ricardo, K, Melissa, Katie*, and *Beth* all put on impressive displays of flip cup to keep the title of Flip Cup Survivor in the family. But really, there is only one man you can speak of when it comes to our Week 1 performance.

The most sought after player in the game is what the experts call the "five tool player" and it looks like **That's What *She* Said!** has found their very own in *Dan Holloman*. He took over the opening week of the season, displaying all five of his tools:

- Homeruns (there were two of them)
- Pitching (3 dominant innings)
- Speed (both of those homers were due to his base running)
- Cider Drinking (a constant at the bar)
- Jorts Wearing (only man in the league with this talent, fortunately)

For your sake lets hope he doesn't start wearing the Jorts during the games because we're all about fair play in Happy Hour Kickball.

It was a complete performance by **That's What *She* Said!** and led to a 6-1 victory over **Lindsey Lohan's Drinking Buddies**.

On a side note, I think the Barking Dog should invest in some light switch dimmers. Every time they turn the lights on for last call it's like a punch in the face by an eclipse and I can only see in plaid for the next five minutes. Maybe we shouldn't be such drunks and close the bar down every Wednesday, but that would be rational and where's the fun in that.

In anticipation of our matchup with **B.O.O.O.M.!!!**, we say bring it on, bring it long and strong... and **That's What *She* Said!**

Final Score: **That's What *She* Said! 6 - Lindsey Lohan's Drinking Buddies 1**

## Ain't That A Kick In The Head?!

We asked, how have you been coping with the recent deluge?

I am doing my best Noah impression. Not so much the ark building part, mostly the wine drinking.

*Chris Cunningham, Urine Trouble*

I've been standing outside random people's homes, throwing pebbles at their window and declaring my love for them.

*Tim Marjenin, B.O.O.O.M.!!!*

3 Words: Slip N Slide.

*Angie Piwowarczyk, It's Business Time!*

I used a newly developed sinkhole to dispose of all of those dead hookers.

*John Albers, Two Short of a Threesome*

- 2 **It's Business Time! (2)** – Well it has been and will be the *T-Train* and *Adam* show, one week they won't lose the top spot in a flip off.
- 3 **That's What *She* Said! (1)** – *Melissa* and *Chris* just straight up own survivor, and *BM* owns the floor!
- 4 **Where My Pitches At? (3)** – *Dan* and *Scott* owning pong, unstoppable!
- 5 **The Juice is Loose! (7)** – Strong showing all night long, **OUTSTANDING!**
- 6 **Booty Call (4)** – First he's the mayor, then a crown, one week *Chip* will be Sultan, I guess?
- 7 **We've Got the Runz (8)** – **The Runz** were everywhere, everywhere you turned. But *Trevor* held it down.
- 8 **Urine Trouble (13)** – **Cunningham, he's the man, period. Plus this week's FC Championship doesn't hurt...**

- 10 **B2e (5)** – Another good showing by *Jason*, but **B2e** was less noticeable this week...
- 11 **Two Short of a Threesome (11)** – Will someone please give *Albers* some help? Why must this man walk alone?!
- 12 **Dorothy Mantooth Allstars (14)** – A good start but slow finish at the end.
- 13 **Get Drunk and Kick Balls (9)** – A decent showing but early exits hurt this team.
- 14 **Lindsay Lohan's Drinking Buddies (12)** – There was no **Lohaner** to be seen, they must be in re-hab...
