Happy Hour Kickball

Actual and Factual News aka Stuff We Didn't Make Up

Saturday, May 31: It's the greatest time of year, the 2nd Annual Summer **BEER OH LYMPICS!** This wonderful event will be taking place at the Barking Dog in Bethesda starting around 12:30 pm and concluding around 6:30 pm. The events include:
Flip Cup (5 people per side)
Beer Pong (2 people per side)
Team You Got Served (2 teams facing off around a circular table)
Continuous A\$\$Hole (one member of every team playing at all times)
The Beer Relay (takes what you did all day and slams it into one timed event)

Price is on a per person basis and will be determined based on the amount of teams participating. The entry fee gets you all the beer for the OHlympics and all you can drink during the day. If you're interested in participating email us directly at happyhourkickball@gmail.com to save a spot.

Saturday, June 14: Kick Ass Party #1 to be held at the Barking Dog. Cheap drinks, specials and a hell of a time! Get wasted and see your fellow kickballers in their nicest Saturday attire. Party starts at 7:00 pm and concludes at 11:00 pm in the sky lounge (upstairs). Theme to be determined in the coming weeks.

Monday, June 23: Happy Hour Kickball is going out to hang out with the Nats at their new digs, Nationals Park. The plan is to do a little pre-game tailgating in Lot 8 at good ole RFK starting around 4:30 pm. This will include beer, shotgunning of beer, and maybe some flip cup. Afterwards we hop on the Nats Express and head over to the game. If you're interested sign up for the event on the [Ning](#) page, or shoot us an email at happyhourkickball@gmail.com

Saturday, July 5: Happy Hour Kickball goes Tubing! Do you feel like rolling down a river in a tube with a beer? I thought you would. This is tentative based on interest. If you're into it, let us know at happyhourkickball@gmail.com

Saturday, August 2: Playoff day and Kick Ass End of the Season Party. Details are still being worked out, but count on it being a great way to wind down after a long day of tournament style kickball. Awards ceremony and crowning of the Summer 2008 Happy Hour Kickball League Champion. Can the 'Runz repeat?

Rainouts—In the case of a rainout, the website will be updated by 4:30 pm, the day of the game. If the rainout occurs after 4:30 pm, the division heads will contact captains, or the appointed contact persons, and it will be the captains' responsibility to inform their respective teams. Of course our specials at the Barking Dog will still be honored.

Referees—Each must provide a referee, either for the 6:30 pm game if you are playing at 7:15 pm or for the 7:15 pm game if you are playing at 6:30 pm. Failure to provide a referee will count as a forfeit.

Forfeit Policy— Only really occur if you have less than 4 people, this will be very difficult to accomplish, so we don't think this should be an issue...

Regular Season Week 3 Theme: The Marriage of the Year

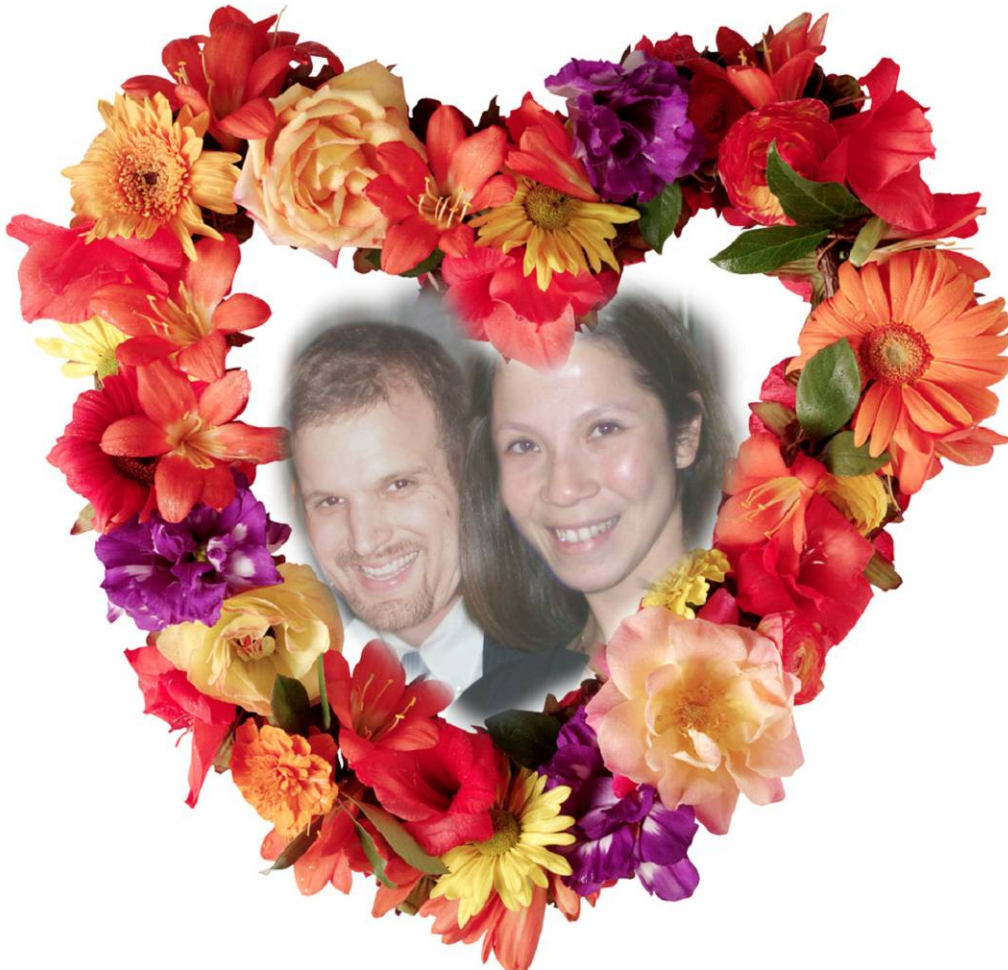

This week's theme is the marriage of two teams, **B.O.O.O.M.!!!** and **RedBullsHit**, most specifically between **Mr. John "Croc" Peck** and **Aryan "A-Rod" Rodriguez**.

To get you all caught up, the happy couple met in the fall of 2007 at The Barking Dog where **Aryan** was enthralled by **John's** Crocs, and the fact that he was man enough to wear them.

They spent the fall courting, and then it all came to a head last week. **John** finally proposed whilst **Aryan** was playing Survivor Flip Cup (which could explain her decision to agree to this union).

So come help celebrate these two's "wedding" this week both on the fields and at the Barking Dog. The ceremony will take place at Meadowbrook before their games at 7:15 pm and the reception will go down at the Barking Dog. I think I speak for everyone when I say, I look forward to see the tossing of the **Bocquet!**

Congratulations you two!

You Decide! Election 2008, Happy Hour Kickball Style.

Last week we asked, "Who has the better Booty? **Chip** or **Cunningham**?"

Well Wednesday night we had our secret ballot election, and what a response we received!

Both candidates did their best to get out their message and at the end we had a winner.

So without further ado, let me be the first to congratulate **Chip** for his close victory taking 50% of the vote to **Cunningham's** 42%. After analyzing the vote, one could posit that the category of "Other" may have hurt **Cunningham** with three other HHKBers taking votes, but one could also assume those votes may have gone to **Chip**.

In any case, congratulations to **Chip**! And thanks to all who joined in the voting as the true winner of the evening was The Children's Inn at NIH who will receive \$125.00 from HHKB on top of whatever else we raise this season. So thanks to all, and check out the breakdown below:

Player	Votes	Percentage
Chip	24	50%

Urine Trouble vs. Dorothy Mantooth Allstars

OH Yeah!

by **Chrisr Gamboa**

The field conditions left a lot to be desired. The rain made the field feel like a mess of soggy cheerios. Once again **Urine Trouble** had a good ole' German sausage fest, because they have a hard time bringing enough girls to the games in order to get a full lineup for defense. **Dorothy Mantooth Allstars** started off with a wild horse; their first run scored was done so by a gazelle that had no plans of stopping at only one base at a time.

He eventually came home and started off the game strong. **Urine Trouble** managed to tie the ball game up in the 2nd inning. Due to the narrow field, both teams had trouble keeping the ball out of foul territory. This also made defense on both sides very strong.

In a late rally in the 5th inning, **Urine Trouble** managed to put 5 points on the board thanks to the deadly combos of our male/female infused offensive attack. 2 players from the **Dorothy Mantooth Allstars** have been reported as missing. They were last spotted on the field between the hours of 6:30 and 7:30pm yesterday. Officials suspect they fell into the treacherous puddles behind homeplate. A deep sea salvage team had to be brought back after their expertise in the Jones Bridge fiasco.

Final Score: **Urine Trouble 6 - Dorothy Mantooth Allstars 1**

*It's always weird when a sausage fest breaks out, mostly because it's much like a rain storm. You know, it starts as a slow trickle and before you know it, there's dude everywhere you look. I mean it's innocent enough, you know a bunch of dudes playing kickball that sounds like fun right, not that there's anything wrong with that...I mean I know lots of guys that like playing kickball with other guys...have you seen **Cunningham** topless? Wait, what?!*

It's Business Time! vs. Booty Call

It's Business Time gets **Booty** bumped

It's Business Time was all set to smack that **Booty** as we continue our magical season. Who cares if it was only week 2? In the top of the first, **It's Business Time** got things started off right by scoring two runs on a great kick by **Angie** that had **Jeremy** shook on how to catch the ball with her standing on the base. While **Jeremy** contemplated what to do, **It's Business Time** was able to take advantage. Unfortunately, that would be the extent of **It's Business Time's** offensive display. After all, we don't want to peak too early and be upset like our team color's namesake.

The **Booty** took advantage of a depleted roster in kicking the ball where we weren't. I would have done the same thing had the situation been reversed. However, that didn't stop **It's Business Time** from making some great plays. **Melissa** had a great catch down the left field line that must have caught The **Booty** off guard, but certainly didn't surprise anyone who has seen us play. **Angie** made some great inning ending catches, **Chad** had the outfield on lockdown, **Theresa** stopped running from advancing, and **Eddie** held it down at first.

It's Business Time! vs. Booty Call cont...

However, the best play without question was the unassisted double play that *Jessica S.* made, broken finger and all. **It's Business Time** went down 5-2 and look forward to tearing that **Booty** up in the post season.

At the bar, **It's Business Time** had a tough time on the Flip Cup table. Perhaps getting a first round bye is throwing us off our game. After waiting around for what seemed forever, **It's Business Time** handled their business in taking out **We've got the Runz**. For *Tina's* first night at the table, she definitely held her own. Our team is so good, we could probably field two teams and compete with just about anyone in the league.

However, we matched up again against **Get Drunk and Kick Balls**. We had an off night as we were defeated by them, but some of the sting was taken off by the fact that they ended up winning it all. **It's Business Time** had a great showing on the Survivor Flip Cup team as two of the members made it to the Elite Eight, and had one member reach the championship. **It's Business Time** is going to be putting in some overtime to ensure that we maintain our grip on first place in the flip cup standings, so **Where My Pitches At?** might want to start practicing so they don't get embarrassed to badly this week.

Its Business Time Grabs Some Booty

by: *Playmaker*

WOW! This game oozed sensuality, passion, and lots of **scintillating booty!**

Many on-lookers just *simply couldn't watch*. It was just too much **heat** for one game. Sweaty bodies were rubbing against each other, booty shaking was the norm, and hot ladies were everywhere!

Many in the league thought that **Booty Call** might get caught looking past **Its Business Time** in anticipation of their matchup next week against heated rival **RedBullsHit**, but *team Captain Booty Hunter* would have none of that kind of thinking. Passionately communicating her simple mantra "*if winning isn't everything then why do we keep score*" she got her team to focus on the all important task at hand **Business Time!**

Business Time would not be awed by **The Booty** and charged out to a 2-0 lead after one inning. They continued to hold a 2-0 lead into the fourth inning shutting down this offensive juggernaut. This was due largely to *Captain T-Train's* brilliant defensive strategy of using his two most potent weapons **Angie** and **Tina** to perform a little **Booty shaking** magic of their own. While this strategy seemed to get the attention of the **male Booty Shakers** this defensive strategy would not work against the **women of The Booty!** And as most good captains knowit is all about the women.

While the **men of the Booty** were caught in a puppy-like trance, the **ladies of the Booty** went on the offensive. Big kicks by *Beckstar*, *Lynn "Big \$\$" Maciolek*, and *Jen "Pretty as a" Pearl* put the **Booty** in front to stay.

Despite the loss on the field, **Business Time** was all about **scoring** at the bar. They flirted, caressed, and fondled their way to a victory over **The Booty** on the flip cup table and confidently rolled into the finals.

It's Business Time! vs. Booty Call cont...

On a side note: As several **Booty Shakers** left the field they noticed someone in the bushes wielding a video camera and looking suspiciously like *Meredith*. One could only wonder how **RedBullshit** would use this game tape. *Chip* merely smirked as he left the field confidently stating "they are going to need much more that game tape to beat us... like perhaps some of-fense."

Final Score: **The Booty 5 - Its Business Time 2**

Booty, booty, booty, booty, rockin' everywhere!

The word booty appears 20 times in the above recaps. It makes my head hurt.

Apparently business time had a problem in the past with peaking too early. But it had never happened before and it was just that one time. They swear.

I think seeing Meredith in the bushes with a camera makes more sense if you knew she wasn't alone. Stay tuned for the release of her tape on the interweb: Poison Ivy III: Meredith Scratches Her Itch.

That's What She Said! vs. B.O.O.O.M.!!!

DEAR FREIND I NEED YOUR ASSISTANCE

I am a personal treasurer to *Kristofer Bocquetovsky* the Richest man in Russian Kickball and owner of a well reputable financial institution with its Branches all over the world.

I have a profiling amount in an excess of US\$100.5M, which I seek your Partnership in accomodating for me, to help overthrow *Bocquetovsky*. You will be rewarded with 4% of the total sum for your partnership. Authority was handed over to me in transfer of money of an American oil merchant for his last oil deal with my boss *Neel Ilyich Patelov*.

Bocquetovsky is in belief that his thugs (known only as **That's What She Said**) are superior to my own associates (they have been called **B.O.O.O.M.!!!**). Last week, **That's What She Said** met with my associates and took them on in a contentious game of the kickball, and defeated them. Even with such legendary member as *Jon Peckov*, *Annie Sahatofka*, and *Kristofer Hackovitofsky* returned, defeat was occurred. The insult was in continuation later during a game of the flip cup.

All I need from you is to stand as the beneficiary of the Above quoted Sum and I will re-profile the funds with your name, which will enable The European bank transfer the sum to you. I have decided to use this Sum to relocate to American continent and never to be connected to any of **That's What She Said** conglomerates. As Soon as I confirm your readiness to conclude the transaction with me, I Will provide you with the details.

Thank you very much,
Regards,

Timothy Vladimir Dimitri Stanislav Marjenin

What do you do with 120lbs of sand?

by *Chris "Steve Kerr" B*

That's the question I ask myself everyday, what am I going to do with 120 pounds of sand? And do you know how much that costs? Well I can tell you, not much, \$9.00. What we need to do is flip flop the price of sand and gas, but that's for another time.

This past week we took on the Orange clad men and women, and *Peck* of B.O.O.O.M.!!! We knew the game would be fun and it was. Now, I'm not one to boast, but I am one to bag on myself for complete and total suckitude, and boy did I suck.

Let me break down my lowlights: 2 fielding errors, one attempt to jump over *Neel* (which didn't happen) and then an attempt to catch a ball that no one with my hops has any right attempting. I gladly take the moniker as the *Steve Kerr* of Happy Hour Kickball.

Here are the highlights for the rest of the game:

-*Bruckheim* went 3 for 3, how do I know this? He told me and he would tell you if you would just talk to him.

-*Budweiser Mike* had two diving catches all the while not being properly warmed up.

-*Cory* is still kickless, this is like 9 at bats in a row dating back to the Fall Playoffs (Nov. 3, 2007). There's an old saying from a wise guy solely referred to as "*The K*" and I think it's appropriate right now, "Even a blind squirrel finds a nut. Lets just hope *Cory* finds his nuts soon."

-*Katie F.* from B.O.O.O.M.!!! screaming in complete panic when a ball was kicked towards her, luckily *Tim* was there to handle the ball for her.

-*Stopher*, glorious *Stopher*, really that's all there is to say.

That's really it, were many people down, but we managed to pull it out....

At the bar we had a great showing, we won one round of Flip Cup and then *Melissa* and *Steve Kerr* both won a game of Survivor, as they do every week...that's not really news, just you know, well someone needs to step up and challenge us. Really make us earn our spot...and **That's What *She* Said!**

Final Score: **That's What *She* Said 6 - B.O.O.O.M.!!! 5**

With assets totalling over \$8, Kristofer Bocquetovsky is the richest man in all of Russian Kickball by nearly \$3.

In Russia, ball kicks you!

The origin of the word comes from "Thuggee," an Indian network of secret fraternities engaged in murdering and robbing travellers, and this cult is supposedly portrayed in the Indiana Jones "Temple of Doom" movie.

In related news I think BOOOM should change their name to Temple of BOOOM.

Pop quiz: How much does 60 lbs of sand weigh?

Here's a fun game for everyone to play: Put sand in the gas tank of your most recent ex and watch hilarity ensue. Also, filing of criminal charges, court appearance and jail time ensue.

Stopher? I just met her!

RedBullsHit vs. Two Short of a Threesome

Oh Yeah!

by *John Albers or Juan Alvarez*

Two Short of a Threesome has begun their yearly tradition like the swallows returning to Capistrano.

As the warm winds begin to blow heralding the coming of spring, so does the offensive ineptitude for **2 Short**. Heading into week 2 of the season, **2 Short** was looking to grab a piece of the action, lift themselves off the carpet and lick their one game losing streak. The defense was solid on both sides, hardly a muffed play between either team.

The innings passed with nary a single run tallied in the box score, it was a long road to hoe for either team to break through for a run. **2 Short** wasn't going down without a fight, but eventually we gave it up late in the game, allowing a single run to reach home. **RedBullsHit** snatched victory from our grasp, resulting a final score of 1-0. Despite our most recent loss, we haven't tapped out yet and have screwed our courage to the sticking post, vowing to nail a crooked number to the scoreboard. Having planted the seed of optimism, we look forward to getting it on with **Dorothy Mantooth's Saints**.

RedBulls Hits 1 Home

by *Party Marty Schell*

Another week another loss, it gets tiring coming back here every week coming up with a new way to spin how bad we are into some awe inspiring twist of logic. Like "yeah we suck at the game but we can drink!" Seriously? What does one have to do with the other? Every person on the planet can drink (Sorry to you people in comas I assume you could drink when your brain was awake). It's like saying "I can't sing but I'm really good at walking".

But back to my main point I'm tired of faking enthusiasm for losing. If only we could win a game. I have piles of material I could use and write about then. All the people I could throw our victory in their face. Those people who said I could never do it (F*ck you mom). Unfortunately I can't see this ever happening. **RBS** while it has special skills (like drinking) it just can't seem to pull off victories. And every week without a win it gets harder and harder for me to stretch these write-ups on.

So onto the game this week against **Two Short of a Threesome**. This week **RBS** won the game (typical). Another week of **RBS** having to smile and look like... we won? **SHIT** I'm not prepared to cover wins. Just come back here next week when I'll write about how much better **RBS** can drink than other teams.

HIGHLIGHTS

- **Brandon** (now to be known as **BVH** in the write ups) makes his debut and brings his A game.

RedBullsHit vs. Two Short of a Threesome cont...

Highlights cont...

- [Meagan Davis](#) is a whore or so she says
- [Aryan](#) is getting married to a guy in plastic shoes.
- [CB](#) let [Aryan](#) go because of her well hidden 10-head
- [Meredith](#) aka [Spirou](#) gets everywhere late and almost cost us our ONLY win (a bold prediction) by bringing all the ladies with her in one car
- [Meagan Davis](#) lets the "King eat for free" according to [Michelle N.](#)
- [Emily's](#) pitching actually won us a game.
- [Meagan Davis](#) promised dirty things if I mention her in the write up every week
- [John "Alvarez" Albers](#) is pretty good don't kick it to him

A reminder that I hope everyone can come out to this bar this week. Make sure to attend in there best church clothes for the drunken union of [Aryan "Agent Zero" Rodriguez](#) to [John "Croc" Peck](#). It should be excellent! Just tell one of the ushers at the door if you are with the groom's side or the bride's side. Don't tell anyone I told you but I heard the Groom is giving free ipods to all his guests. Anyway it is going to be AWESOME.

Awesome like that time after you failed your driver's license test but stole your grandfather's caddy and took a drunken Heather Graham for a night on the town.

Final Score: **RedBullsHit 1 - Two Short of a Threesome 0**

So here's what I know about what happened at this game...nothing. Both re-caps were devoid of sporting information and I think that's fan-damn-tastic. What I did learn however is that [John Albers](#) has an alter ego and this alter ego is named [Juan Alvarez](#). [Juan](#) is just as good as [John](#) at everything and he looks just like [John](#), the only difference is that [Juan](#) speaks Spanish and [John](#) doesn't speak, they both drink though.

In other news, props to [Marty](#) for referencing License to Drive starring the Coreys, Feldman and Haim. My question is who would win in a battle of the Coreys vs. Our Cory "Big C" Lawson? My money is on the Big C!

The Juice Is Loose! vs. Where My Pitches At?

Game 2

by [Blake "Jack London wannabe" Carrington](#)

The **Juice** started the week off to a rocky start allowing 5 runs to **Where My Pitches At?** After some fielding changes we have discovered that [Allyson](#) is the team's new center fielder. [She](#) is all about the great catches that usually put her on the ground and rolling around in the grass (can we say MVP?) [Jason](#) forgot we were playing kickball and decided to be David Beckham and head the ball into the swamp that was bordering our field. The **Juice** had some great kicks but were unable to convert base runners to runs in the 7-0 loss. Thanks to [Cory](#) and [Tim](#) for reffing a good game.

The Juice Is Loose! vs. Where My Pitches At? cont...

The **Juice** had a great showing at the BD. After we lost in flipcup, *Seamus* showed up in his suit which meant it was time for some "You Got Served!" This quickly turned into Survivor Quarters in order to get the beer flowing. *John "Juice" Jones* was the top winner twice in a row in Survivor Quarters. Not sure how that happened but it may have something to do with his lady watching - maybe she should come to the field and improve his game. It was also the 1st week that I actually saw *Sean's* face at the bar without a cute girl's lips on it. *Marie* and *Becky* took on all playing pong. *Marie* and *Marika* totally held it down for the **Juice**...they were there past lights up...past chairs up.... past last song... Our infamous Thursday morning quote comes from *Marie* this week. "Today will be a LONG day!"

Oh Yeah!

by *Michelle Nowell* and spellchecked by *Meagan Davis*

In an odd move, the Fall 2007 Champs **2LEGIT2KICK** decided to forgo a potential repeat as Champs and play on separate teams. The divorce was bizarre and many of us needed therapy, but it provided for an interesting match-up Wednesday night. **The Juice is Loose!** was a tough competitor and despite knowing our playbook and our strengths they were unable to best their former teammates from **Where My Pitches At?**

Where My Pitches At? exploded for 5 runs in the first inning. From there my memory gets a little hazy. Here are a few "plays of the game" that I remember:

- * *Michelle* took a monster kick from *Lou* in the ovaries. Really...like right in the gut. She may never be able to have kids, but damn was it a good catch! Thanks for taking one for the team!
- * In a move that drew overwhelming taunting from the crowd, **Where My Pitches At?** star outfielder *Than* decided to play second base for a few innings.
- * *Adam Weyl* wowed the crowd with his base running. On his way to third, *Adam* ducked the ball, fell to the ground, got up, made it to third and went on to score from the over throw.
- * In an attempt to make a play at first, *Scott* ran away from the bag, forcing *Michelle* to field the ball and tag the runner out a first. Man, she had a great game.
- * **Where My Pitches At?** was hoping to run up the score, but *Allyson Price* playing right center for the Juice kept catching everything we kicked out there. Everything. Not one miss. Annoying- but mad props.
- * In his HHKB debut *Mike* kicked what should have been a home run or at least a double to right center but *Allyson* in right center caught it. She caught *Dan's* balls too. And *Luke's*. Maybe, *Scott's* too. It's hard to say.
- * In the best sideline conversation of the week, *Meagan Davis* finally admitted what several male members of the league already knew.

The Juice Is Loose! vs. Where My Pitches At? cont...

Michelle: Who scored today?

Meagan: I SCORED once and I made it to third twice.

Michelle: Wow! That is a lot of action for one day.

Meagan: What can I say, I am a big whore!

The Juice never managed to get lose- giving **Where My Pitches At?** their second win. Maybe the sparkling bedazzles blinded their eyes and made it hard to play? Oh beadazzles- our secret weapon...

Don't worry guys- we will be one big happy family again come September...

Thanks to *Matt Flynn* for providing Big League Chew and sunflower seeds. Keep the snacks coming. Orange slices maybe? Shout out to *Namita "Mojito" Chopra* for playing through her illness and her talking shoe. Also, big shout out to *Rachel A.* whose birthday we missed but will make up for it this week. If she comes to the bar. HAPPY 25th you old hag.

Final Score: **The Juice Is Loose! 0 - Where My Pitches At? 7**

Wow, these were long, long recaps. I kind of nodded off in there. But these two teams seems to love each other, not in the cool forbidden way, but in the hallmark Angela Landsbury kind of way. You know why didn't Matlock and Murder She Wrote ever cross over? Maybe they did a survey and found that the elderly would find this to be too much to handle, I mean it's like the dream show for anyone over the age of 65...but I'm rambling...MATLOCK!!!!

Get Drunk and Kick Balls vs. Lindsay Lohan's Drinking Buddies

No time, there's never enough time!

by *Le*

Ok, because I didn't have time to write anything up last week and now it's too late for me to remember the details of the game against **Lindsay Lohan's Drinking Buddies**, I'm going to go with this. For some reason, I'm craving desserts (starting this morning at 7 a.m.) and I NEVER eat dessert (mainly because I'm lactose intolerant) so here is the question I pose to my team: If you were a dessert, what would you be?

Colombian: Tres Leches, because it's three different kinds of milk and who doesn't want to have 3 different kinds of milk?

Mori: On a regular day....Apple pie a la mode - sweet, simple, and delicious

On a weekend....Black forest cake - a complicated combination of melt in your mouth chocolate and fruit sweetness. Too rich to be good for you but too delicious to deny.

Train RunnR: A cherry, because it goes on top of everything.

Bunny: I'd be Cognac... yummmmy! (technically not a dessert but at least it has alcohol)

Get Drunk and Kick Balls vs. Lindsay Lohan's Drinking Buddies cont...

For the rest of the people who didn't respond, I will describe what kind of dessert you are:

Carmine: Canoli...need I say more?

That Guy: S'mores Brownie- there's always s'mores to him than expected and everybody loves brownies

BMoney: Pistachio Fluff Fruit Salad- It begins with pistachio pudding mix and gets more decadent from there. Let 's see, there 's whipped topping, mandarin oranges, fruit cocktail, pineapple, bananas and miniature marshmallows...love the name.

Cass: Chocolate Cake- always a crowd pleaser

Stacy: Fruit pie- juicy, sweet and crunchy

Jules: ice cream- there's always more to each spoonful than just cream and sugar

That Sacks E 1: Never-Ever-Fail Meringue- because some people just got that magic touch

Rob: No-Bake cheesecake- easy and beautiful presentation

R&R: Ice Cream Pie- Have your pie and ice cream, too! Fanciful combinations make these creamy, frozen desserts a hit with all ages.

Beckam: Garnishes- A garnish can be anything that adds visual appeal and complementary colors, flavors, textures, or temperatures to the dessert you're serving. And we're all just plain boring with *Beckam*.

Scott: Trifles- an England dessert served chilled...because he is too cool to even come to the games

Sophstar: cupcake-sweet, petite and ranked high on the cuteness scale

Jenn: Pound cakes- good pound cakes aren't hard to make, but they require some care in making them. You can't rush the mixing process.

As for *me*? Of course I'm an Angel food cake.

Final Score: **Get Drunk and Kick Balls 8 - Lindsay Lohan's Drinking Buddies 1**

I applaud this write up, because while being nearly as lazy as me, whoever asked the dessert question was able to come up with some content without doing any real work. Kudos. Clearly the best answer is for Train RunnR. It makes him/her sound like a serial rapist. Actually, it makes him/her sound like they are a golden shower waiting to happen. Bunny needs an intervention. Rob is clearly a cheap whore. Pound cake? Seriously? Is Jenn's nickname "Cake"?

We've Got the Runz vs. B2e

Captain? We Don't Need No Stinking Captain!

by *Craig Fritz*

Long story short, I didn't show up to my **team's** game this week. That's right, I'm the bastard that leaves my friends hanging, without a ride in the city, when they don't know anyone. It's cold, but it's life. Deal with it.

Anyway, we won. **The Runz** beat **B2e**. So apparently, my team is actually a team and can work together without me.

We've Got the Runz vs. B2e cont...

I'm unnecessary window dressing for this squad. We're also 2-0 and have only scored four – FOUR – 4 runs this year. Defense wins repeat championships. BONG!

Final Score: **We've Got the Runz – 2 - B2e - 1**

So I had a great come back to a non existent write up, the Fritz goes and shows me up by providing one at the 11th hour...damn you Craig! However, I will note that if Fritz is window dressing, that is some window, I mean what could be on the other side...? But because I like what I wrote originally, I am sticking it in anyway: "Here's what I would have written, "We won 2-1 again, because we really enjoy a good old fashion 2 on 1 in all situations! Heyo!"

The Law Man Ledger: May 19, 2008

The Lawman Ledger

by "Big C" Lawson

Has anyone noticed that our fearless leader, *Chris Bocquet* looks a hell of a lot like Joel McHale? Are these two dudes the same person or what? Is this league being run by a television funny man? Will I even make another appearance at the bar this season? Good I hope the answer is yes.

For those of you who don't know, *Mr. Bocquet* has been jet-setting back and forth, from LA to DC weekly. Every Friday, *Boy Wonder* here shaves his Joe Dirt looking mug, throws on a blazer he borrowed from Ryan Seacrest, jumps in front of a TV camera to tell jokes and make people say, "ha ha"... then he hops a plane back to DC, grows is trademark white trash, blonde beard and assumes his throne as head of this 3 ring circus of yellow balls, spilt beer and white guy dancing debauchery. It's a full time job, no doubt.

Now I don't know for sure if *Chris* is indeed Superman. I mean I've never seen him change clothes in a phone booth, but I did once spot him wearing blue tights and a cape while rescuing a kitty from a tree. Man, that guy really loves the pussy.

Ain't That A Kick In The Head?!

This week we asked, "Big Brown" won the Perakness and took a step closer to the triple crown, what do you think?

I think we should be impressed, I mean for a horse to lead the league in batting average, rbi's and homeruns is a great feat.

*Marie Casso, **The Juice is Loose!***

When I see a horse complete the running of the urinals (<http://www.youtube.com/watch?v=9n8xMAh29rc>) on the infield at the Preakness while being pelted by cans of Natty Light, I'll be impressed.

*Jason Rosenberg, **B2e***

*I was so hungry once, I ate a horse...but then I was still hungry, so I ate the jockey. To be honest, neither seemed that put out at the time. **Chip Lipscomb, *Butty Call****

*Were they riding bareback, no? Not interested.
Le Kooc Cornelison, **Get Drunk and Kick Balls***
