## ***Actual and Factual News that We did NOT Make***

**Wednesday, February 3, 2010**—Happy Hour Kickball Summer Registration opens up! For the fourth summer in a row we will be kicking it around Meadowbrook.

**Saturday, March 13, 2010**—The 2nd Annual HHKB/HHDB/HHB Red Line Crawl! We'll start in Bethesda and then head down the red line all day and see how far we get. We made it all the way to Faragut North last year, can we get all the way to Gallery Place this year, I hope so. For those participating, we'll be doing shirts again this year, but a hooded sweatshirt in case it rains, or is a little chilly! Evite for this event is coming soon!

**Tuesday, March 30, 2010**—Happy Hour Kickball night out with The Caps part 2! Tix are \$46 and we need to lock this down right now! If you are interested be sure to RSVP to the Ning Page, let CB know, or email [happyhourkickball@gmail.com](mailto:happyhourkickball@gmail.com) as soon as is humanly possible!

**Wednesday, April 14, 2010**—Happy Hour Kickball season 4 kicks off that evening with scrimmages and then after party at the Barking Dog, as usual!

**Rainouts**—We won't have rainouts this season, but we could have snow outs, freezing rain outs and possibly ice outs. Be sure to check out our Twitter feed, and your email should this go down. Also, look out your window!

**Referees**—The two teams with late games will provide 2 reffs each for the early games.

**Forfeit Policy**— There are no forfeits in dodgeball, just quicker losses potentially.

## This Week's Game Recaps

### Oh Yessss

by *Jason Yang and Friends*

*Ellen* had the catch of the game when she snagged a ball from above her head and screamed out loud with her eyes popped wide open. Then she got hit in the leg I think while she was amazing herself with her catch.

*Jason* actually played a few games and threw (poorly) left handed. Now his left elbow is probably sprained just as bad as his right. The accuracy was about the same either hand. *Becky, Ellen, Bender, Paul,* and *Jason* partook at the bar. Even with a showing of 5 we were probably still 4<sup>th</sup> behind pink, green, and yellow in the power rankings.

*Bobby* always has this pained look on his face after each game like he's going to pass out. *Bobby* has the pained look on his face because he has a fitness level comparable to that of a 65 year old obese midget.

We should highlight *Ellen* and *Ron's* fight for the lowest average time played per game. *Bender* couldn't stop stepping over the line while he was throwing the ball and got called for it 4 times in a row at one point.

*Bender*: That yellow line is crap...I pass it by like a few inches and the ball release is before.

*Quentin*: SWEET, can we also keep track of how many times *Bender* throws the ball at our own team? I want to know how awesome we're being... like if we played basketball and turned the ball over just to steal it again.. HAHA

*Bender*: Friendly fire is a good way to make sure everyones' reflexes stay sharp.

Final Score: **Balls of Steel 9—Uncle Jesse's Balls 4**

## This Week's Game Recaps

### Everybody gets Throwboned

by **Chris B**

So with a spring in our step and three ladies on hand **Throwbo Cop** felt that redemption would be theirs, they would have a chance against the Golden Menace of tough throwing human beings, but alas it was not to be.

People got hit in the head, hands, legs, stomach and junk, good lord the junk. We continued our slide towards below the Mendoza line with some flair and lots of screaming. Oh, and I freaked out, because it wouldn't be one sport where I made it through the season without losing it over something completely irrelevant!

Since there weren't many highlights, I think I will do some thinking out loud, on how to make Happy Hour Dodgeball more fun:

- The safety zone has an electric fence element to it where if you throw across it or in it, you get shocked! How funny would that be?
- One ball is set on a timer that will invariably explode after a certain amount of throws and inside will be baby snakes, like in Temple of Doom, but fear not, they aren't poisonous.
- The courts have trampolines like in slam ball. Imagine being able to use a trampoline to jump throw at your opponents, sure we would need helmets but imagine the possibilities.
- Fire Ball. I think this is self explanatory.
- Chuck Norris and William Shattner showing up like in the movie, they just would not be allowed to share their political feelings, because if nothing else, dodgeball is not about politics.

That's all I've really got right now, and I think it's a good start, so if you know a very rich benefactor who could make this happen, **Dan Holloman** is open to marrying them or being their servant if need be.

Thanks to our reffs, **Charlie**, **Theresa**, and **Sabrina** and for all the **Gold Players**, for a fun, light-hearted if at times terrifying game!

Final Score: **Throwbo Cop 4 - I Wanna Dip My Balls in It 9**

## A Recap of the 1st Annual Winter Flip Cup Tourney

Good Lord! That's really the only way to describe what went down this past Saturday at the Barking Dog at the Winter Flip Cup Tournament.

Was it clear we were all a little out of practice? Yes. Was it clear we were going to pay either later on that day, later on that night, or at some point? Yes. Did I think there would be so much vomiting and sleeping? No, actually I did not. But that's what makes these day drinking events so much fun, you never know what's going to happen!

Armed with a brand new scoreboard, new pens and new magnets (those things were a hit by the way, thank god we don't need tape anymore) we were ready to get down to brass tacks and throw ourselves into several events of beer gaming fun.

Here were the events we had: Team Flip Cup, Team Survivor Flip Cup, Individual Survivor Flip Cup, Team Flong, and of course, everyone's Favorite The Beer Relay.

Now, I don't recall the scoring, but it was close between the top three teams all day, and it all came down to the Beer Relay. Really whoever vomited the least should have been declared the winner as I am sure the staff would have appreciated that as well.

In the end, congratulations go out to Ronnie Ford's team, Flip to the Future II for taking care of business and making Marty McFly proud somewhere.

Enjoy your flasks you winners. The pics will be posted later.

Branded 72 Rankings presented by Blue Moon

Week 6— February 23, 2010

1	<b>Balls of Steel (4)</b> – Because I believe when you demand to be number 1, you should be number 1!
2	<b>Uncle Jesse's Balls (1)</b> – More drinks for Uncle Jesse please!
3	<b>Mad Balls (3)</b> – After their game, a few drinks were probably in order.
4	<b>Tropic Thunder (5)</b> – Their score would always be higher if not for their penchant for practice...we're talking about practice!
5	<b>I Wanna Dip My Balls In It! (2)</b> – More shots all around my friends!
6	<b>Throwbo Cop (6)</b> – Yeah, we just don't seem to have it do we....?

\*Please Note the Power Rankings are Made up and can easily be influenced

In the last few weeks news stories have really grabbed my attention. First there is the story of Robert Pattinson in Details magazine. Robert in his interview the next day explained what it was like to be on a photo shoot with naked models for 12 hours. "I hate vaginas. I'm allergic to vagina". HOLD THE PHONE! Is this another one of those new vampire rules they made up for the twilight books. Sun doesn't kill them, and now they are allergic to vagina not garlic? I always wondered what a guy 700 year old dude saw in a 16 year old girl. I mean I'm in my 30's and I can't stand 16 year old girls. But now it all becomes clear he has aller-

gies so of course he hangs out with the young ones who think getting a good kiss after 3 books of dating is enough contact.

So let's go through the pros and cons of being a vampire here:

**PRO**

- Live forever (could be a con if your stupid)
- Superstrong
- Really fast
- Get to kill werewolves without anyone knowing (trust me that's a pro)
- Legitimate excuse to never go to church again

**CON**

- Allergic to vagina
- Sun makes glow
- You only drink blood (the liquid diet is the true key to the skinny vampires)
- To feed yourself you have to suck

So being a vampire means you are a really in shape guy who is strong and fast who loves to suck and is allergic to vagina. Do they all live in Dupont?

The other news that caught my attention was the profile on Roger Ebert in Esquire magazine. It was really touching and sweet. Apparently the man has become even a more prolific writer than he was because, um well, he has no jaw. That was the really crazy part of the story seeing the picture of him with his lower lip hanging around loose without any bone there to support it. For me I don't know about you it really made me think. What would it be like? How would I?

Nope what it made me think of was the time I was in college with the lady who really liked me, and we finally got to the bedroom and I worked for what seemed like hours until my jaw felt like it was missing (sorry roger). However, I got the results I was looking for! Then when it was time to continue with the festivities, what do you think she said? I'm sorry I'm allergic to penis!

Now I remember why I stopped reading the news. Until next time my friends. I'll be here crying myself and my sore jaw to sleep.

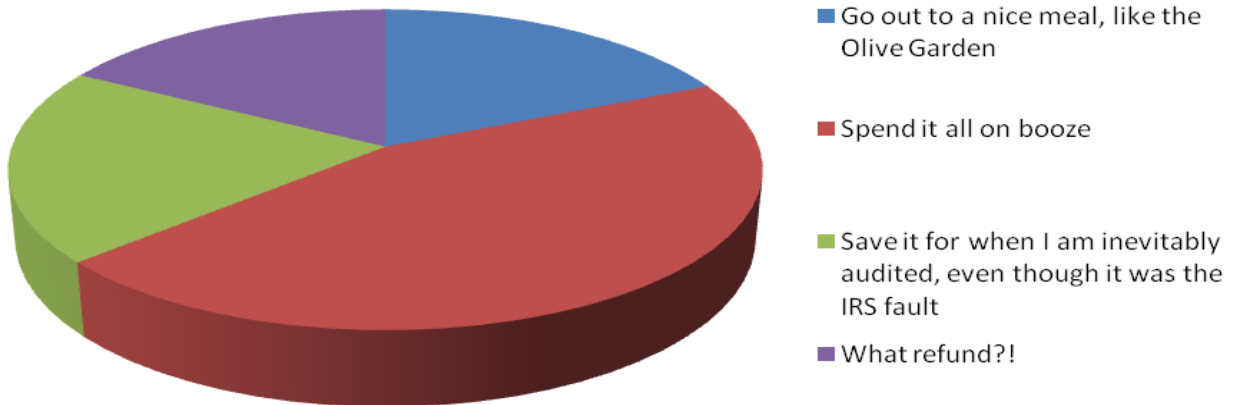

## HHKB Fantasy Basketball Advice

Well in the Fall we filled this space with advice on who to start and sit in your weekly fantasy football life as that seems to be the most popular. But, fantasy runs year round, so during the dodgeball season we will give you a weekly primer on how to win your fantasy basketball league and I should know, considering the fact that I came in 3rd once in 2005. So away we go! Oh, and if you use this info to win your league, and do well, then it's clear, I am a genius, if you lose, it's got to be something with you I bet!

Must Start	Must Sit
Chauncy Billups – If you need to win a game, get his ass on the phone, this goes for any sport.	Anderson Varejao – The man wears a Snuggie, 'nuff said.
Emeka Okafor – Because no one gives him any love...poor Emeka.	Josh Howard – On schedule, it's the Curse of the Boulez, take that ACL.
Chris Andersen – He's the bird man and a recovering addict, got to give him props!	Jamal Tinsley – He's getting paid to not play, how sweet a gig is that?!
