THE MORNING AFTER

Volume 6, Issue 12 (#172)

Yo, yo, yo my friends!

Hope you are having a nice Tuesday evening, doing whatever it is you do, maybe you're eating a little paella, I don't know. But thanks for reading while you are enjoying that delicious Spanish meal. No better than a Balls paella though.

Anyway, congrats to The Humpires! They took our first Happy Hour Softball Championship, running the table as a #1 seed and completing a great season.

To celebrate, let us fete and toast them this Friday night at the Barking Dog with an open bar and shots and beers all around. Maybe we'll have some pleasant conversation, hand out some trophies, who knows? Let's see where the night takes us shall we?

Also, we're winding down HHKB Summer season 6, only 3 more weeks of regular season kickball left before the playoffs on Saturday, August 4. Hopefully your team will be there to fight tooth and nail to get that championship, and a nice sun tan or burn.

After that day all you're going to want to do is relax, but you have to sign up for Sunday Funday Fall HHKB, so just do it now, it would be easier no?

<http://happyhourkickball.com/registrationNew.php?sport=kickball>

See you at the fields, bar and/or party!

Chris, John and Marty

Rainouts

In the case of a rainout, the website will be updated by 9:30 am, the day of the game as will the [Twitter feed](#), the [Facebook Page](#) and the Weather line (202-415-2843). If the rainout occurs after 9:30 am, the division heads will contact captains, or the appointed contact persons, and it will be the captains' responsibility to inform their respective teams. Of course our specials at the Barking Dog will still be honored.

Referees

Each must provide a referee, either for the 6:30 pm game if you are playing at 7:15 pm or for the 7:15 pm game if you are playing at 6:30 pm. Failure to provide a referee will count as a forfeit.

Forfeit Policy

Only really occur if you have less than 4 people (or 6 for softball), this will be very difficult to accomplish, so we don't think this should be an issue.

Ballz Deep 5

Oh Yeah!

by *Tony H*

Writing a recap is not fun after a loss. We lost week one to the team trying to find the gold, and then we had 7 straight wins, and lost to Deep Ballz. Both our losses this year, we have been shutout. Going into our game against J Scotty's team, I knew it would have been tough if we had a full team, but we were missing 3 star players in Brandon, Jake, and Arif. I'm not sure why I taking losing so rough, but a few beers and a few shots later in Bethesda, I was in a pretty decent mood. Ballz Deep started strong, and played very well throughout the whole game. So, Congrats on your win. I don't think we had any highlight plays. Next week (or tomorrow), we play the undefeated Scorgasms. To my knowledge, which is a bit fuzzy at best, I recall talking some smack to Ben and Chiller, and maybe others. So, we will see if my team can back up my mouth.

Saturday Night's Alright For Shenanigans

by *Justin S*

I went to everyone's favorite bar on Saturday night, Caddies! There was a pretty young thang sitting on one of the stools at the counter. Being the shyest guy I know, I sat on the close side of the patio for some time while I mustered the courage to approach her. I then timidly approached her and asked, "Ma'am, would it be OK if I sit here and talk to you?" She was alert, suspecting me, and she responded by shouting, "No, I won't sleep with you tonight!" Other customers near us at the bar looked over and began chuckling amongst themselves.

Embarrassed, I turned around and walked back to my table on the patio. I was dejected and ashamed, especially being that I frequent this bar. About 15-20 minutes go by and I see the same girl get up and walk out to our table. I was sitting down and she knelt beside me and began to apologize. With a smile on her face she says, "I am sorry if I embarrassed you." I had to lean in closer to hear her. "You see, I'm a grad student studying psychiatry and I'm putting together a thesis on how people react to embarrassing moments." Being loud in the bar, I have my one good ear turned towards her; my buddies around the table are catching glances with me. I winked at one of them and turned to the woman with my response. As loud as I could without screaming I yelled, "What do you mean it's now gonna be \$500!?"

I wonder if the bar where Justin was negotiating with a hooker, for that is what she is (but all strippers are med students), is the same bar where Tony was banging down shots and beers. Hopefully in one giant glass or bucket. Drinking from buckets, that I've never done, but I'm sure it's as hygienic as picking up cigarettes off a bar floor and jamming them in your face. Back up the mouth, that's usually the job of the tongue, or so I read in Lord of the Flies. I've got nothing....

Where Da Gold At? 6

Oh Yeah!

by *Chris H*

"I'm eating a waffle, what's it to you. Back off me dog." That is my response to the girl giving me guff for not eating healthy (although it's economically proven that a waffle is healthier than pancakes, and pancakes are healthier flapjacks). Either way, I envision that champions eat waffles so I'm fucking eatin' one. I've also determined I'm not doing any work today after finding lost shots in the celebratory

photos, damn why is it only Tuesday. Do you think that since password is the worst and least safe password that people are so scared to use it that it has become the most secure password? I know I sure do. Where's the last place you've seen a glory hole? I think I'm gonna bring these back. Not even in a sexual way, but the way that makes you think "is that a glory hole?" and you tell all your friends and eventually it may even get back to me and I'll be like "you know who made that right?" and they'll be like "the glory hole fairy?" and I'll be like "guess again" and they'll say "fuck it I don't care anymore, I'm gonna go stick my dick in a glory hole" and I will feel shame that I let the game go on too long and don't get to brag about my glory hole making skills, which I bet are pretty damn good. Did you know they still make snackwells?

Chiller does not like grammar, and I bet grammar doesn't like him. Snackwells were all the rage with octogenarians and apparently continue to be, so snack well my friends and snack hard, harder....harder, damn it harder! Did I just make some cookie seem dirty, maybe did I make you want said cookie, you're damn right I did, just like Chiller is a champion, now someone get him some shots.

The Booty Strikes Lightning
by *Chip L*

- Ryan "Mad Dog" Ma\$e made some big kicks
- Sammy was the MVP with several fabulous catches.
- ROHA ruled the bar.

- Dawn "Diamond" Smith fractured her wrist.
- Roman "Deal Closer" Salaszyk looked good even sweating.
- Stephanie "Infatuation" wore matching pink shorts and a pink thong.
- Katie "Hair" Jordan played some wicked shortstop.
- Durdy J, Fierce, and Chiggy were missing.
- So we played with eight.
- And we still dominate.

Things I learned about from this write-up. Dawn broke her wrist (get better soon!). The style and color of the undergarments of one particular booty member (Thankfully not Chip. This week). Three people were missing. I have no idea who those three people are. But as long as they know, that's all that matters. And knowing is half the . . . booty?

Hobos get Juiced
by *Sean C*

Well, we're back under .500, sitting at 4-5. What a rough season this has been. Sporting a 6 player outfield vs. an 8 player outfield, the Hobos lost to Juice (and a pesky tree) 11-8 last week. There were a few difficult and shaky calls along the way, which we seem to have been on the short end of all season long. But hey, such is the harsh reality of kickball reffing. It's not an easy task. No excuses. Had we been able to field 10 players, perhaps we would have won. As usual, we're our own worst enemy.

Although as far as enemies go, I'd nominate Shout out to Jayne and Jinee for holding down the fort woman-wise last week. Jinee made a web-gem-esque catch in right field, and Jayne dominated at the Survivor table, as she always does.

Seamus and DJ Beezy both kicked moonshot homeruns for their respective teams. Pitchers getting it done at the plate, I love it. Both teams played admirably in the face of low attendance (which seems to be another recurring theme of our season...where are you HOBOS?!?), but in the end the creamsicle-colored bunch had a bit more Juice in their tanks.

Sadly, the Return of Chico Dusty was spoiled. Speaking of Chico Dusty, if that's gonna be your self-given nickname, then I demand you do more at the bar than sit in the back with headphones on listening to Emo-rap. Consider the gauntlet laid down...CHICO! And self-given nicknames suck. It's not allowed. I digress. The playoffs are on the horizon and us Hobos look to be cruising in with our lowest seed ever. Maybe that's a good thing. Flying under the radar could be just what the doctor ordered. And hopefully, our team doctor's name isn't Conrad.

It sounds like the Hobos need to step up their recruitment efforts. You know, like "He Got Game." Though even I would probably do whatever Denzel Washington told me to do. Dreeeeemeeeee. And porn stars couldn't hurt. I understand they can be very persuasive. If you're going out to a bar only to sit in the back and wear headphones, you either don't want to be at the bar, or you want people to ask you why you're sitting at the back of the bar listening to headphones. Playoffs? Diddly-poo.

Basic Rules of Team You Got Served:

Each week in tournament fashion your team will take on the team you played on the field in You Got Served, should you win you advance to the Semis (not the character from Coming to America), with the winners of those games facing off in the Finals. The two teams that lose in the semis (still not Arsenio Hall) will battle for third place.

Here are the rules and way to play:

Two teams of four face off at a marble topped high top, with the goal being the first team to have each player bounce the one quarter (per team) into the shot glass.

To begin, the first players cheers their cups (filled to the 1/3 line with beer or soda), chug them and attempt to bounce their quarter into their shot glass. Once successful, the next player on their team steps up, chugs their cup and attempts to bounce their quarter into the shot glass. The first team to finish wins the first round, first team to three round wins advance.

Note, players must stay in order and can not pass. If a team's quarter goes off the table, they must retrieve it (teammates in the game can help) but the game does not pause.

That's it, it's fun, easy and involves shiny objects, how could it not? And remember, always let your soul glo.

You Got Served Scoring:

2 Points for 2nd Place
