THE MORNING AFTER

Volume 6, Issue 34 (#195)

Oh, hello there. You just caught as I was about to head out to the playoffs. You know, the semi finals and finals are tonight. How exciting! Are you excited? I suppose if you're playing you are, but if like me, you're not well it can still get your heartbeat up a little. Tonight we find out who is the best and who is 2nd, 3rd and 4th best. There is a trophy on the line here, a shiny trophy that you can drink out of and make all your friends jealous that in their lives they do nothing to feel like a winner, aside from drive down Rockville pike in their convertible. Unless they're wearing a driving hat, then you win, regardless of what the car is and who is in it with them. Anyway...kickball registration closes and happy hour softball will open. If you're interested in playing softball, let me know and I'll get you set up. It's going to be tons and tons of fun, and this year, no broken windows, or at least I'm not paying for half to fix it. The reg link is below:

- [Happy Hour Kickball registration](#) is still open, so get on that!

Thanks a lot, it's been a fun and great season!

Weather Delays/Cancellations

In the case of bad weather, the website will be updated by 4:30 pm, the day of the game as will the [Twitter feed](#), and the [Facebook Page](#). If the bad weather occurs after 4:30 pm, the division heads will contact captains, or the appointed contact persons, and it will be the captains' responsibility to inform their respective teams.

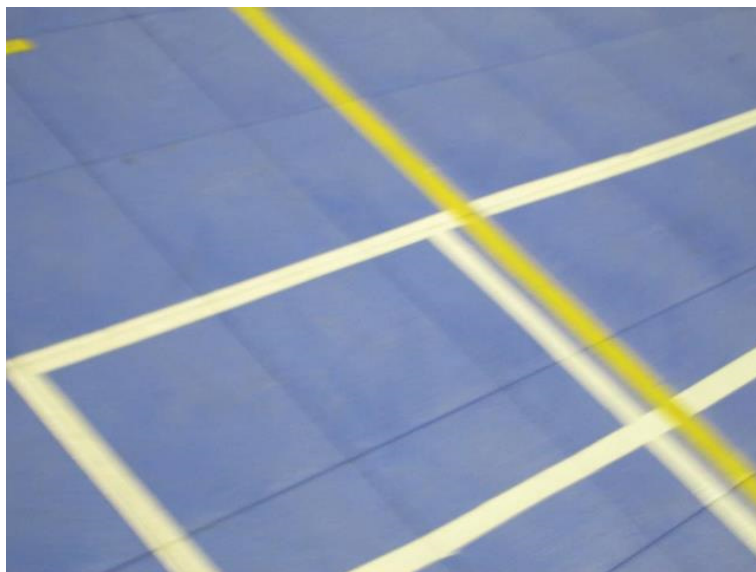

Referees

Each must provide a referee, either for the game directly before theirs or after theirs. Failure to provide a referee will count as a forfeit.

Forfeit Policy

Only really occur if you have less than 4 people, this will be very difficult to accomplish, so we don't think this should be an issue.

HHDB Weekly Caption Contest

The Winning Caption:

"Go home lines, you're drunk."

Congratulations to *Daisy* for winning this week's caption contest with "5 Likes" in a close one.

This is her second win this season, and she's only been playing for 8 weeks. Clearly she is funnier than all of you. As the winner, Daisy gets this unnecessarily complicated looking line sprayer. I can't think of any situation where this would be needed, ever.

Congrats again *Daisy*, hopefully you can keep it going this spring and summer!

Playoff Recap

by **Glen C**

I'm not sure who would be considered the underdog in this game but it sure was exciting for whichever team you were rooting for. We came out with the W thanks to some MJ like performances. Jason managed to win a 3v1, Kelly and Morgan made great catches all night and managed to salvage a tie against the the mighty arm of Albers, Ben got the team fired up with some "sideline" drama, Alonzo fought through injury, and Corey secured the clinching game for the win. Oh and Josh was Josh so that's always epic. As for me, I had some great coaching calls like taking myself out the last 4 games. I believe they call that addition by subtraction. GG Foam Sex - we want to know where you hid the rest of the girls on our team.

Saving the best for last is Dumb.

by **Chris B**

You know the song, "Save the best for last" by that lady that won Ms. America and then lost her title for posing in Playboy? Well I think I heard a ska version of it and let me tell you it's kind of bogus, but not totally. It was nice that we played our best game in our last one. Let's ignore that Glen's team was down to 6 people each game or that Alonzo threw

his arm out of his socket, those details are irrelevant! We played well, and it was a great time. But we lost because none of you cheered us on appropriately. With that in mind, I'll thank my teammates, Amanda, Andrea, Bonnie, Stopher, Evan, Jayne, JohnA, Katie, Laura, Marty, Mattie, Mike, Judy, Rebecca and Ankit. Great season.

And what's the deal with people say that lady posed nude in Playboy? It's Playboy how else are you going to pose?!

That song sucks....

Ladies and gentlemen, I have been to the Great Wall of China, I have seen the Pyramids of Egypt, I've even witnessed a grown man satisfy a camel. But never in all my years as a sportscaster have I witnessed something as improbable, as impossible, as what we've witnessed here today!

Playoff recap

by **Jessica W**

Watch Me Nail Your Girlfriend Cruises into the Semi's as Team Ramrod plays with own balls.

God, Ramrod loves playing with balls, and that's ok, nothing wrong with that.

I prefer to play with other things.

Anyway, that recap was straight and to the point.

Good work, though there

is less for me to work

with, so I guess I'll just

ramble on for a little bit,

rambling, just rambling

and rambling and

rambling.

And now a cat picture:

Point-Counter Point-Point with Bacchanaleon, God of Kickball and Deon, God of Dodgeball

Happy Hour Dodgeball and Kickball have their respective gods, Leon for kickball, Deon for dodgeball. They're brothers, and their names rhyme, that's about all they have in common. Leon works 7 months out of the year, Deon 3. Leon is older and seemingly more responsible, yet partys harder. Deon is younger, doesn't give a crap about anyone but him and is known to piss his older brother off. Leon enjoys boozing and loves the players who love and pray to him, Deon enjoys boozing and hates all of you. Over the next 8 issues these two will debate a certain topic and perhaps impart some wisdom, but will certainly entertain. This week the question was, "The dodgeball season is now over, how was it for you?"

The summer wind, came blowing in, even though it was really spring's turn. Good day minions. Your old buddy Leon here. Regardless of what the weather is, the calendar says that it is spring. A time when young men's thoughts turn to hoping a gust of that summer wind will blow a lovely lady's

sundress all up around her waist. But it is also a time of change, of transition. We return to our outdoor activities. Give those springs on your bed a rest. But in doing so, try not to catch any poison ivy, especially on your nether regions. Washing calamine lotion out of underwear is never fun. And so we say goodbye to winter. And a rather mild winter it was. No snow storms for everyone to be all cooped up in and try out everything they learned in "50 Shades of Grey." But in exchange, now you are able to sit outside while you imbibe. Get some sun. Work on your tan/freckles/melanoma. And wear ridiculously large sunglasses so as to conceal who you are checking out. My eyes are up here ladies. You know what, actually, I don't care, look wherever you want. If you're not looking me in the eye, you can't tell where I'm looking either. Anyway, if you aren't already excited for spring, for the coming of warm weather, get excited. You've slaved away in the dark and gray for too long. The limbs are bearing the fruit that is humanity, and that fruit is nearly ripe and just asking to be plucked. And properly plucked, at that. Rejoice in the coming of spring and of whomever is on top of you. For you, you are the boys and girls of summer. But it is not summer just yet. It is still spring, that time when it is summer in the sun and winter in the shade. And be careful, because otherwise there are worse things than poison ivy to catch.

Well readers, it's been real, real in the draining sort of way. But thankfully my yearly community service has now come to an end. I can now head back to my palatial estate and write my Weekend at Bernie's fan fiction and really get in touch with my feminine side, no wait, not mine, yours. That's just what Deon does!

So, I am told by my PO that in my last little bit of space before I head out for a year that I am to recap the season that was and reflect on it. Well I think that's great because the minute I send this in via the swift legs of Hermes, I'm not going to think about this for another 10 months. Then I assume I'll do something again that I am wrongfully accused of and will be back taunting you, those who claim to adore me, but probably just read this because the level of boredom you feel at work is crippling.

Anyway, here are some thoughts:

- The Cool Ranch Taco at Taco Bell is gross. The Doritos locos one is slightly better, but you'd be better off ordering something, anything else.
- Sometimes I rhyme slow, sometimes I rhyme quick.
- Time management, don't throw yourself out of the game so quickly because you need to get that ragehol out of your system, I've seen some of you, the anger behind those eyes and throws while making me proud can only lead to the punching of a lamb. Lamp punchers.
- Don't do so much to hurt yourself, in fact do less, almost nothing. You'd be better served, no one likes a tryer!
- Make up words like I do, rageahol, tryer, they're fun to do, just try it because most people won't know you're wrong. You play Words with Friends I'm sure you can do this.

That's it for me, it's been, well it's been a season. Until next season, I'll be boozing by the pool and dreaming up the antics of a dead guy.
