The Morning After

Volume 4, Issue 20

HEELLOOO Everybody!

This is not Chris. Apparently he does something other than HHKB full time. He has a job that actually puts food on his table. (Well provides him dollars which allows him to shop and then if he chooses to eat on the table that night he can put his food there... but I digress) This "job" has him busy this entire week so he couldn't be here to update the ole Morning After.

BIG MISTAKE! Now I have my hands on the MA and finally got to do a little house cleaning. Hopefully you like the changes. It certainly cut down on the pages so it's not such an intimidating number looking at you each week

Other than that the MA is entirely too much work and don't know how Chris does this each week. I promise to get my column in on time next week. I know how annoying it now is to sit around waiting. However, I'm sure I'll forget all this by the following week and go back to my procrastinating ways.

Actual and Factual News that we did **NOT** make up!

Wednesday, November 3: HHKB Night out with the Caps!

We've got a limited amount of tickets left, they're \$51 a piece and are going fast! We'll be pregaming right next to the Verizon Center at the Irish Channel, so if you're interested, hit us up and let us [know](#).

Saturday, November 6: HHKB Playoff Day and HHKB Kick Ass End of the Season Party

We spend the day at Capital View Fields crowning a champion and then we party all night at the Barking Dog. Nothing could be simpler or more enjoyable!

Wednesdays starting in January: Happy Hour Dodgeball is Back!

All the fun you can have throwing balls at each other in a pseudo aggressive/erotic way is back and registration opens in November. Stay tuned for details!

Rainouts

In the case of a rainout, the website will be updated by 9:30 am, the day of the game as will the [Twitter feed](#), the [Facebook Page](#) and the Weather line (202-415-2843). If the rainout occurs after 9:30 am, the division heads will contact captains, or the appointed contact persons, and it will be the captains' responsibility to inform their respective teams. Of course our specials at the Barking Dog will still be honored.

Referees

Each must provide a referee, either for the 10:30 am game if you are playing at 11:15 am or for the 11:15 am game if you are playing at 10:30 am. Failure to provide a referee will count as a forfeit.

Forfeit Policy

Only really occur if you have less than 4 people, this will be very difficult to accomplish, so we don't think this should be an issue.

HHKB Fantasy Advice

Everyone plays a fantasy sport of some kind nowadays, and since we are a part of "everyone" we will be giving you advice on who to start and who to sit this Fall. So check out our picks for this week's NFL action!

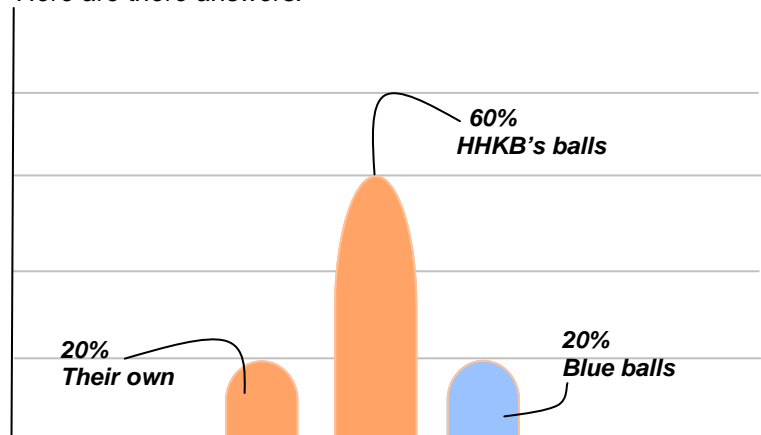

Must Start	Must Sit
Randy Moss - He won't know the playbook, but how is that different than anywhere else he's been?	Brett Favre's Dong - I've seen the pictures. I wasn't impressed.
Witches - They're all the rage! They're running for Senate! And Halloween is just around the corner!	Brandon Lloyd - This rating is based on his rap album, not his on the field play, which has actually been rather good of late.
Kevin Kolb - Only member of Eagles offense with ribs that haven't been smashed in to little pieces.	Dwyane Wade - Couldn't even last 4 minutes. I am volunteering to console Gabrielle Union.
Tiger Cubs - Adorable	Tom Brady - Sit him him until he gets a damn haircut. Johnny Unitas: Now there's a haircut you could set your watch to!

Did You Know?

We asked a random selection of HHKB players what type of balls they prefer to play with.

(sorry about the art we are still learning how to use our tool)

Here are there answers:

Reprimanded by the Stepdads...

By JScotty

Everybody seems to be getting sick right now. And DCOMB is no different. We have now joined the many teams this Fall that have been plagued by what can only be called Keg Kicker Syndrome. Keg Kicker Syndrome (*n*) - a group of kickball-related symptoms that collectively add up to the complete breakdown of a game. In most cases it involves, but is not limited to, poor attendance, poor judgment, and a high-rate of stranded runners. Needless to say, we lost our first game to the reigning Fall Champs, the **Stepdads**.

To nobody's surprise, sleep, hangovers, weddings, injuries, and vacations all contributed to our first loss this season. Due to a shortage of women, we had to play with only 6 people on the field at a time. To our surprise, it wasn't a total blow-out. **The Stepdads** only beat us 5-2. I was very proud of my team's performance. But guys, don't let it happen again!

We arrived to the BD to find that **Chris**, aka "Hot Bocket", wasn't going to grace us with his presence. I believe this led to everyone being thrown off-guard and thrown off their FC game. **The Care Beers** weren't phased, making a strong comeback in keeping with their previous showings this Summer. Luckily for **Team Lightning**, nearly their entire FC bracket were no-shows. They were able to fly straight to the semi-finals, earning their first FC point this season. Nice job guys, welcome to the league! The usual top FC-ers, **Seaballs**, **Juicegasms**, & **DCOMB** all were disappointed with their placing at the end of the day. What else is new!?

The rest of the day was just as odd. Just as Survivor began, the **DooDoo** sisters arrived. It wasn't enough to turn things around for us all though. Survivor had decent representation at the end. I remember the top 7 people being from 7 different teams. Pretty cool if you ask me. But otherwise, quarters was slacking, as was pong. That one bartender kept stealing our tables. I'm taking it out of his tip this weekend. You can tell him I said so.

A **Juicegasms**, who we will leave unnamed, thought it would be a good idea to have a tequila tasting contest. Our juicy friend was blindfolded and one of the lovely bartenders, "Karen," lined up 4 different shots of tequila. It was up to the taster to determine what brand each shot was. Had yours truly been aware of this scenario it would not have been permitted.

Don't Come on My Base

Being that I have become the **Juice's** official chauffer. BMW + Puke = Very, Very Bad.

Our King and Queen, **T-Payne** & **Jayne**, headed to Blackfinn with the **Hobos**. But JScotty & Estill stayed behind to make sure the **Juiciest Juice** stayed out of trouble. Despite a hilarious run-in with some Persians, we were all able to escape unscathed. Let's hope this coming weekend is more like the rest. Something about Week 4 just felt wrong.

Week 4 DCOMB Awards

I've decided to give out weekly awards to team-members. Not because they mean anything but because nothing builds team-cohesion like a good pat on the back (or spanking in some cases).

Most Valuable Player:

Justin Hahn

Butterfinger Award:

No One!

Most Valuable Drinker:

Keith & Ryan

Sober Sunday Award:

Everyone Else!

***KK Syndrome...** I had that once in college, that was the last time I bet I could drink a quart of lead paint. Also how many contributions can you make to losing before say: Fuck it, we suck? I'm glad to see that J-Scotty and Juice kept it international and hung with Persians. Is that a term we are still allowed to use in America? I would have thought it would have been banned much like Freedom Fries or Nutella. How did Nutella get so popular all of a sudden? I heard Kobe liked it back in the day but he grew up in Italy. Does Kobe really have that much of an influence over grocery shopping mother's?*

Bobo's Hobos

The BOOTY Blasts the Hapless Hobos

By *The Playmaker*

Despite the title of "Summer Champs" resting on the shoulders of the **Hobos**, **The Booty** waltzed into this affair unimpressed and not intimidated. The last time these two teams tangled was the last game of the summer regular season and **The Booty** came out on top 13-0.

However, **The Playmaker** knew in order to beat the Champs [who he believed were the most athletic team in the league] **The Booty** would need a full squad. As **the Playmaker** arrived early to the field to stretch, field some ground

balls, and practicing some kicking he anticipated a full squad. Much to his chagrin as game time approached only three women appeared. Three women are you kidding me?! The battle of the season... the time to send the ultimate message of who really is the most dominate team... and only three girls?! Last week we had 2 girls and were only down 4-3 to the **Seaballs** in the bottom of the 4th. Oh the things we could do with a full squad.

Before the start of the game **Jeremy "Durdy J" Patton** and **Sean "I Can go for Miles and" Miles** gathered their Booty teammates together for a brief pep talk which seemed to inspire the Booty despite the enormous odds playing with only eight defensive players. "Get on the bus or get out of the way" became the theme for the day.

Three up three down was how the **Hobos** went in the first three innings. With nine straight put outs including a strike-out **the Booty** looked unstoppable. **Captain Erich "Socartes" Seimon** had devised the perfect defensive strategy putting **Durdy J** at third base, **C2** in the left field and had **Caitlin "C-Dawg" Myler** patrolling the entire centerfield by herself. It was

her phenomenal catch with two outs and two on the fifth that put the game away for the **The Booty**!

The offense seemed to feed off of the defense and in the second inning **The Booty** struck first with big kicks by **Katie "Michael" Jordan**, **Joey "Jelly" DeFrancesco**, and a three run triple by **Mark "Lumberjack" Greenawalt**. Again in the third, fourth, and fifth innings **The Booty** pushed runs across the board.

The Booty scored in 4 of the 5 innings, didn't allow a runner past second base for the entire game, struck out a guy... all while playing with only eight players. This was the most complete domination of the Defending Champions that had ever been seen in the league before. In two games **The Booty** had out-scored the **Hobos** 20-0.

With no earned runs in three of the first four games and a complete dismantling of the Defending Champions... **The Booty** was sending the league a message that this Fall they wanted that trophy!

Bobo's Hobo Memoirs

As told by *Sean C.*

Now what we have HERE... is a failure to communicate. Bobo put me on gag order the last few newsletters, but I'm back, and we're just gonna get right into it here. Before I get to the business at hand, let me just say that the **Hobos** got whooped up on by **Booty** last week, I think it was 9-0. We normally have one of these games a season, and well, this was it. The symptoms of a **Hobo** letdown game are pretty persistent from season to season. Fielding mistakes, in-fighting, **Rashard** trying to catch a ball from the outfield and run it in rather than throw it, key absences. Not excuses, just facts. Credit goes to a game **Booty** team, who utilized their strengths and handed it to us, leaving us at a disappointing 1-3 midway through the season.

Ok, that was that. Now let's get to the pink elephant in the room.

Chip...**Playmaker**...whatever you're calling yourself these days, quit with your championship jealousy. Here's the bottom line. You can cling on to that REGULAR SEASON game last season where **Booty** kicked an undermanned **Hobo** team's ass, or this REGULAR SEASON when **Booty** kicked our ass again. But the bottom line my friend, **Booty** has no trophies. Every year you declare yourselves the frontrunner, and every year you pull a LeBron and choke. And where do you choke? IN THE PLAYOFFS! Where true champions are made. In the summer the **Hobos** were not going to be defeated on that Saturday. We gave up 4 runs in 4 games, two shutouts. Beat the teams you couldn't beat. Walked the talk you couldn't walk. So why, OH WHY, can you not let it go? Harassing my teammates at the Homecoming party,

forcing me to swoop in and defend our **Hobo** honor. Oh yea, and don't try to claim that Stepdads championship last Fall either. You jumped ship for that one buddy. There was no **Booty** involved there. Even then, when we were 9-0 and the favorites to win it all had we just been able to field a full team, you needed every single inning and 8 **Hobos** in the field all game as oppose to 10 to beat us.

Now, I will not revisit this subject anymore. Win something, then you can talk. For the rest of **Booty**, I want to be clear, none of this rant is aimed at you, I was forced into this by the visored glittery one. This is what he wanted, so hey, I'll humor him for once. I normally don't get involved in these types of catty arguments involving adult kickball, but for the sake of HHKB, and the urging of every other team in the league, this had to be done. **Hobo** Pride can only be the bigger man for so long. So we had to put something on record.

ALL HAIL KING PAYNE TRAIN! **Hobos** Up! **Hoes** down!

I thought the term "Summer Champs" was typically reserved for the Redskins. Ok, so "Hobos Up! Hoes down!" So does that mean that none of the Hobos are Hoes? Or are all the acquaintances of Hobos hoes? That is to say, if a woman on the Hobos would, obviously, be a Hobo, and would her paramour be the hoe? I clearly think that is the way it should work for the sake of team solidarity. Or something. To co-opt an old saying, talking trash about kickball is sorta like running in the Special Olympics. Even if you win, you're still retarded.

B.O.O.O.
O.O.O.M!!!!!!!!

The Care Beers

BOOOOOOM goes the Care Beer

by *Tim M.*

There are no two ways about it: when **B.O.O.O.O.O.O.M!!!!!!!!** plays **The Care Beers** (aka GOBOTS, My Little Ponies), it's an event. You can throw all your predictions out the window, sit back, and enjoy the spectacle. We sure did.

It all started, as our games have come to start, with the stark realization that we would not have a full complement of players for the game. For us, that meant a total of seven. Luckily for **B.O.O.O.O.O.O.M!!!!!!!!**, **The Care Beers** were even worse off; they only had five.

Nevertheless, if we've learned anything so far this season, it's that we can't underestimate an understaffed team.

It began well enough for **B.O.O.O.O.O.O.M!!!!!!!!**, with a 3-run home run by **Tim** in the first inning. Heck, we made it through the entire order the first inning! As the game wore on, the magic wore off. For **B.O.O.O.O.O.O.M!!!!!!!!**, at least. Before you knew it, **Jonny** was taunting **Katie J.** Of course, she caught the ball when he kicked it to her. The Beers also stepped up their game, and started some impressive rallying.

Now, I'm going to attribute the good fortunes of **The Care Beers** to one thing, and one thing only: Rob's shoes. Remember those shoes you might have had back in grade school, the ones that had the little pump thingy on the tongue? Yeah, he had a pair, and was wearing them. He even gave them a couple preparatory pumps with each at bat.

Things got even zanier when **Jonny** kicked one that landed right on the line in left, and nearly ran over **Steph** on his way around the bases for a home run. Heck, there were great kicks all around! It was also the first time that I've ever seen a timeout during a game for something other than an injury.

But once again, **B.O.O.O.O.O.O.M!!!!!!!!** seemed intent on nearly snatching defeat from the jaws of victory. It wasn't until the last inning that we decided that hey, maybe we should try to, you know, win.

Oh, and lest you think that YOU know how to party at the end of the night, try this on for size. After leaving the party Friday night, **Michael** and **Jonny** headed to the Metro. Upon seeing that the next train wouldn't arrive for another 14 minutes, they decided that it would be prudent to sprint back over to Tommy Joe's for a shot of Tequila. Awesome, yes?

Wouldn't it be fun to have an HHKB League pick'em? Set the match-ups for each game every week and try and predict the outcome. Maybe we can get Lee Corso in on it, have him wear a giant kickball on his head. I can't imagine the inside of kickball smells any worse than the inside of a college mascot's head. Which I imagine to smell like a mixture of sweat, vomit, angst and sexual frustration. Though who knows, I am sure there are people who have a college mascot fetish. Which begs the question: "Is there a Beer Care Bear?" You know, one that would have like a frosty mug on their tummy, named Sudsy or something. Because that would be awesome. I cannot imagine those shots of tequila sat all that well during the sprint back to the metro. Cheap tequila tastes like hair spray.

Flock of Seaballs

Seaballs get Seaboned!

by *Chris B.*

In an unpleasant turn of events the **Seaballs** were defeated as they **Juicegasm**ed in their pants early and often.

But I guess when you've got the sun out, a slight breeze, damp grass and mud on the field, well a proper **Juicing** was to be expected.

No **Seaball** made it past third base, the amount of errors in the field was astounding, balls were dropping at an alarming rate, all in all it was a pretty crappy game.

After much thinking on this I realized the cause, we had been cursed by Leon for not properly honoring our former teammate and his clavicle before the game as it was only a week ago that **Charlie** was broken there under similar circumstances. Perhaps we should have sacrificed a chicken or someone else's clavicle, who knows?

There were highlights, actually I can only think of two in no particular order:

1. **Christen** got on base again, though **Kieran** rightly pointed out only a single, in the future, we expect homeruns and only homeruns.
2. I did not break my sunglasses, take that **Seamus**!

That's probably it, yeah, that's all that needs to be mentioned, for we shall not mention the play that shall not be named.

Onto the bar, where the **Seaballs** are king, or queen! At the bar, we did our thing in Flip Cup and came in 2nd, which isn't bad as we got our revenge as we Juiced all over the **Juice** in the first round. We were sadly undone by the Care Beers who rubbed their bellies and summoned the power of Booger and Barry Badgernath for their beer gaming prowess.

In Survivor, **Budweiser Mike** fared about as well as Jimmy Johnson, but was able to consolidate his lead a little bit. Keep it up **Le Scoot**, don't go all Michael Vick on us and break your rib cartilage in a horrible table flipping accident.

Also, **Jayne** was named our queen of kickball, and for that we are excited as we expect her and the **Payne Train's** reign to be just, honest and sloppy.

That's it, we'll see you this weekend, where we take on someone else who will have to be our sacrificial chickens to Leon as he demands blood and beer.

Perrywinkle vs. Blue (balls) ZING!

by *C.Hiller.*

This week, as many of you have heard, I had 2 goals: getting drunk earlier and leaving the bar early so that I wouldn't make a scene. First goal accomplished. Even with a kickball game standing between me and the BD, I wouldn't let this slow me down.

The game was played on a wet field, much to the advantage of the **Juicegasms** because we are used to a wet spot. Crucial drops by the **Seaballs** led to an onslaught of offense that could not be stopped. It was also played on a mostly cloudy day, yet many still felt the need for sunglasses most of the time, ironic? I'm sure **Corey's** fanbase from Michigan was thoroughly baffled.

Our offense started with a **Rachel** Rally, but our defense was impressive. **Dave** couldn't get enough balls, even stealing one from **Marie Meredith**, on the other hand, patiently waited for the balls to come to her and closed out the 2nd inning by herself (and the pitcher). Even with guest pitcher **Ross** on the mound, the **Juicegasms** gave nothing 8-0, record 4-0.

The bar got even messier than the field at the bar. **Nui** joined on for flip cup for the first ever and did quite well. As usual, the **Juicegasms** were bounced early in the first round but this time I get to pull out the "We played the best team" excuse. Yup, I feel a little better now. Survivor flip cup? Next.

Quarters, was an afterthought with priority for me on drinking. While there was some around maybe some survivor as well (don't remember) I am sorry for letting everyone down and not being as cordial as I should have been. This Sunday quarters will take their center stage again!

You know that this country is taking national security too far when even kickball plays are considered classified information. No matter, I'll have WikiLeaks look into it for a future "Morning After" expose. Sweet mention of Barry Badrinath, by the way, even though Neel is probably better suited for the comparison. Stay tuned, folks, I hear he might show up on Sunday! Neel, I mean, not Barry. Oh, and what's all this with sacrificing a chicken to appease Leon? Conventional wisdom would seem to dictate that the almighty Leon requires nothing less than a Turbaconducken (that's a turducken wrapped in bacon) to sate his hunger for clavicles. But who am I to question the whims of the almighty?

Ain't that a Kick in the Head?!

This week we asked, "What do you think about Ashton and Demi's supposed open marriage?"

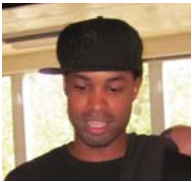

I've heard Ashton does everything in 140 characters or less now even intercourse.

Becky M, Juicegasms

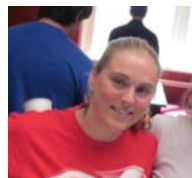

So threesomes huh? Sounds like Ashton knows how Hans Gruber felt at the end of Die Hard, boned by Bruce Willis.

Jesus P, Stepdads

Threesomes and orgies, this explains the lack of effort in making movies.

Estill H, Funkytown Allstars

Threesomes and orgies, this explains the lack of effort in making movies.

Jen G, Team Lightning

The **Sticky Icky Buds Hands of the Week for Great Fielding** goes to **Caitlin "C-Dawg" Myler** for shutting down the Hobo's in the 5th inning.

The Word from Bacchanaleon, God of Kickball

What is with guys sending people pictures of their penis? Has anyone ever appreciated a spontaneous cock shot? Sure, maybe you get drunk during a party, take your friend's digital camera, stick it down your pants and snap off a few candid. But as a means of persuasion, I cannot imagine that a penis portrait would be very effective.

You want to know something? Your parents used Polaroids and gave them to each other. How creepy is that? Actually, I don't know that. I smoked a lot of pot in the late 70's. But, can you imagine? Plus, just after taking the photo, when your Dad was waving the Polaroid around, his tallywhacker was probably flopping all over the place. Good times.

Your Old Buddy Leon here. To be fair, some of you may have seen images of my manhood on a statue or something. At least those statues where some prude didn't take a chisel to my joystick. Most of these depictions were not generous, but I assure you, I am a grower! How much so? I can put my schlong in a toilet paper cardboard roll and if I get really excited it expands and busts through, just like if you were opening a tube of Pillsbury Biscuits! It even makes the little popping noise. Leon's penis angry! Leon's penis smash!

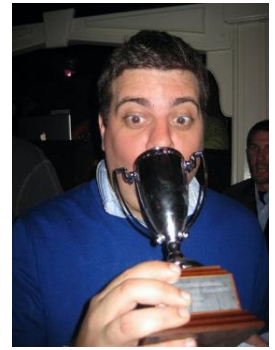

Anyway, on occasion, I have been prompted by certain ladies and gents to send them a pic of Lil' Leon. And I am always hesitant to oblige. Who knows where those pictures could end up? Actually, everyone knows. The internet. Everything ends up on the internet. Eventually, I usually oblige, but only after I have received some sort of photographic collateral. It's like mutually assured destruction for the oversexed. And gentlemen, a little tip (ha!), if you are going to send out some crotch shots, do some manscaping. The ladies do not one to see pictures of your flesh chapstick growing out of tumbleweed. Pictures of Va JJ just doesn't have the same impact. I always think it is a close-up photo of someone's fist. Not that a fist pictures doesn't have its own appeal.

So, in conclusion, you should sext your old buddy Leon all you want, but not anyone else unless you want your party favors all over the internet. That's all for now, I'm off to see if I can't find someone who wants to help me make some biscuits and I'm always prepared. I travel with my own glaze.

If you aren't already doing so, get on the Twitter right now and [follow Leon](#), you'll be happy you did and you get his wisdom in short snippets, just like Leon.

I HATE This Country with Stranka Sacha

As part of my assimilation to my new country I have been ordered to learn about pop culture and keep up on the news. I feel like I'm not using the correct word when I use "news" though. Granted I have a limited grasp of the language but I'm not sure how a headline that reads: *Keira Knightley Debuts Haircut*. How is it a big deal that Keira Knightley let someone take scissors to her head? Doesn't everyone outside of Cult leaders do this once a month? Now if it was a her new haircut below the equator. Now we are talking! I want cnn news alerts and 24 hour coverage on that. All I've learned in the past few months is that if we aren't even going to attempt to write real news stories about celebrity can't we get some nudity every other story?

Still I keep at it. I continue to scan the blog sites for more pop culture news. Who works on these pages and approves these stories? *Jessica Simpson Explains How to Fart Less*. That's right the secret to reducing the expulsion of your body odors is a mere click away. Not only that you get to learn this life lesson from a girl who didn't know Tuna came in a can and dated Tony Romo. I didn't click on the story. If, however, she said it was eat less beans, it's official, she's a retard. My guess is that the minute you got away from stuffing your face full of food the gas started to die down. Believe me I should know.

I'm not sure what stories would be written about me if I ever became famous. Well first of all the whole fame thing ain't never gonna happen. The only thing I do that is somewhat public is this column and I'm guessing this is not same kind heat/attention Ashton is getting with his millions of twitter followers. But still I'm betting I could get so weird stories written about me. I'm not talking fart weird I'm talking Jaoquin Pheonix weird! Headlines like this:

Stanka Sacha leaves house without pants. (yes it was cold out)

How did a live duck end up on Stranka's head?

Women say Stranka has a strange earlobe fetish.

Stranka found with a barrel of cocaine in bed of his truck claims it was his friend's barrel

I'm not sure I've learned anything about this country's weird obsession with celebrity but I do know that's the kind of pop culture press you wanna have!! Maybe I am learning something.

Jizzin' with J-Scotty!

I feel like I'm in college again. I've got an assignment to complete and no clue what to write. And this is even worse; I can write about whatever I want! Marty, I don't know how you do it, brotha! But maybe that's because I had a ridiculously busy week. Shit, I went to 12 birthday parties & 2 dates this weekend alone! Beat that bitches!

So, not in keeping with anything, mostly because I'm all over the place, I'm actually going to write

about kickball. I know, I know, it's a social league and no one cares about kickball. Well for the 10 of you who do, keep reading. These figures may be good to know...

The **Stepdads** have scored the most runs this Fall: 28. **I Kicked a Girl** has scored the least: 4. **The Care Beers** have given up the most runs: 46. **I Kicked a Girl** has given up the least: 5. Considering runs scored vs runs given up, The **Stepdads** are the best team and **The Care Beers** are the worst.

Using simply my own judgment, the **Hobos & B.O.O.O.O.O.O.M.!!!!!!** are having the most surprising seasons thus far. I think Funkytown All-stars have the most potential on the field. Once they actually get a full team to show up, look out! **Team Lightning** is poised to become a perfect fit with the league. They just need to mingle outside of their own crew. **I Kicked a Girl** seems more fitted for W*k* or **Nakeeed**; they're slacking in the socializing dept. **Juicegasms** can't flip for shit this Fall, **Seaballs** has an army to rival Belgium's, **Booty** is just as bootylicious as ever, and **Downtown DooDoo Brown** just can't seem to do anything right. I don't have a take on my own team, **DCOMB...** trying to stay impartial here. (Rereading above, so much for that!) Let's all get the kinks worked out and have an amazing second half! See you Sunday!

The History of HHKB Invented Beer Games

The Beer Relay circa 2007

In the past, HHKB has played and invented many drinking games, it's true, more than any other league in the entire Kickball World. Why you would be wondering or considering the outside kickball world confuses me however.

First off there was the Beer Relay, this is a Beer OH Lympics Staple and combines all the skills one would need if they were to have a beer gaming interview. It includes Flip Cup, You Got Served, Pong and Chugging a Pitcher and to top it off, the Beer Bong of Doom. All skills a well rounded drinker needs.

Then there was Drink Flip Run. Drink Flip Run requires four tables, and a cup for each person running around said tables at each table. You and three (or 7 if you're playing team Drink, Flip, Run) start off at different table, once the bell rings you drink your cup, flip it and then head over to the next table and do this 4 times until a winner finishes first. The first version had four total cups around the inside of each table. This was then changed to 8 as the outside of the tables were included. Finally, it was taken up another level with the inclusion of a relay race where teammates drank a cup, and tagged a waiting partner at each table, this included 4 cups per person.

Drink-Flip-Run, circa Fall 2007

Then there was Flong. Flong was invented due to a lack of beer, and small cups. It combines the best of Flip Cup and Pong. You get to flip a cup and to throw a pong ball into a pyramid as well, including rebuttals, picking and pointing.

The Survivor Board of Champs

Eventually a full cup faceoff comes about and everyone smiles.

During the Summer of 2009, the Board of Champions came about. The Board was incorporated into our Weekly Survivor match, that pitted as many people as we could

around the tables. The Board requires skill and a steady hand, the steady hand is usually the tricky part.

In the Fall of 2009 HHKB started playing Danger Zone, a fun game if you have about 2 hours of free time. But like most good games it had to be tweaked, so now instead of just tossing pong balls across a table you had to take a drink from your cup every third throw (or every throw) to speed the game up. This worked famously and the game has been a hit ever since!

Danger Flip!

Our latest game was brought to us from the brain of Seamus, Survivor Quarters is just what it sounds like. It combines quarters (or You Got Served) with Survivor Flip Cup. Basically 4 players are standing around one shot glass and have to knock their three quarters into the glass before anyone else. The person who comes in last is eliminated. That person's quarters are then redistributed to the remaining 3 players, while the losing player puts down a pint of beer. The game then continues thusly until there is one grand Survivor who has not been served! This is a great, glorious and addictive game!

So there you have it, the newest HHKB invented drinking game. Are you interested in getting down? I know that you are!
